MODERN home-making calls for a complete staff of electrical servants. Outlets (some people call them base-board and wall sockets) must be conveniently placed for each electrical appliance and lamp. Seek the advice of your electrician. He knows how to make your home modern and the cost is surprisingly little.

TOO much work, too much worry. Tired but too nervous to sleep. Counting imaginary sheep, relaxing your muscles, making your mind a blank, all no use. You'll feel "all in" tomorrow.

SUNDAY SCHOOL TEACHERS MEET

On last Thursday evening the regular monthly meeting of the Sunday School Association was held at the church. It was decided to be one of the best ever held yet. This meeting was held to open out ways to attendance of full 100 per cent in its ten schools in this district. One superintendant from C. W. W. presided. These meetings are quite helpful and should be held in every Sunday School.

ORGANIC TREATMENT

At the meeting of Floyd County Sunday School Association in Goldsboro last evening the president called attention to the "Organic in Home" and gave an extremely interesting program, closing with "How to Wash Christian Bedding" as only fully well drilled in each week for a period of six weeks.

OUT ON CRUTCHES

Sherman Franklin, who sustained a serious injury to the left foot while working in the mines, some time ago, was out on his crutches last Saturday for the first time. He will soon be fully recovered, we hope.

ANNOUNCEMENT

TO THE VOTERS OF THE 13TH SENATORIAL DISTRICT OF KENTUCKY:

Having been urged by many of my friends to make the race for Senator of this district, and having been endorsed by the Democratic Executive Committee of Floyd and Knott counties and by many leading Democrats of Pike County, I have decided to enter the race for said office. Having entered actively in politics for the past 32 years and having been in attendance at every state convention since the year 1896, I believe and feel that I'll be able to give to the people of this district a representation at Frankfort worthy to be proud of, and should I be successful, this kind of representation I promise to give.

My candidacy now is subject to the action of the Democratic primary to be held on August 1, 1931. Any support, either by labor or moral support, from either Democratic or Republican, will be highly appreciated.

Yours for service,
DOUG BAYS.

PRICE-CRUTHERS

Since our last issue of being sent in, the marriage of Mr. Thomas Critchers to Miss Edna Price, 17, took place, much to the surprise of their many friends. They were quietly married at the home of the bride's mother. Only a few intimate friends of the bride were present, the Rev. Davis tying the nuptial knot. These young folks are popular members of Wayland's young set and have the best wishes of all for a long, happy and prosperous life.

GAS DRILLING

The new well being drilled by the Kentucky-West Virginia Gas Company in front of the L. P. Martin store has at this time reached the depth of about 500 feet and barring ill luck the well will be completed in a remarkably short time. Much interest is being manifested in the result of this venture as other developments in this vicinity depend largely on this one's success.

WAYLAND'S MINSTREL

On last Monday one of the secret orders of Wayland presented for the benefit of charity a regular, full-fledged minstrel. It is needless to say that this was the event of the season. George Nichols was masterful in this—than any show of its sort since the halcyon days of Al G. Fields. All members of the cast did the best possible and the capacity house warmed up to the occasion by the continued applause and laughter which lasted throughout the show.

BONANZA

BASKETBALL

Students of Bonanza high school, both boys and girls, spent most all of Saturday afternoon playing basketball. The first game of the evening was played between the girls' team and the last third team. At the end of the game, the score was a tie; then playing to release the tie, the others made another goal.

The next game was played between the Bonanza "Bears" and the Swamp Branch Independents. The score was 83-37 in favor of Bonanza.

Then the Bonanza school team and Swamp Branch high school engaged in a game, and again Bonanza was victorious.

Late in the evening the two independent teams played another game and the score was a tie.
