## 21-YEAR SENTENCE GIVEN NEWMAN IN SLAYING OF BATES

Wiley Howard Draws Eight-Year Term for Connection With Wireman Killing

Wiley Howard was given an eight-year sentence for his connection in the slaying of Dayton Wireman.

This Newman drew a 21-year penitentiary sentence Saturday at the hands of a jury in the Floyd circuit court which held him guilty of the slaying recently of Wilson Bates on Left Beaver Creek. His conviction came after less than two hours' deliberation by the jury.

His brother, George Newman, is to be given trial at a coming term of circuit court here for the same crime.

Commonwealth testimony, in brief, showed that Bates, as he walked along the railroad leaving the Newman home, fired a shot into the ground. Newman thereupon fired three shots at him as he walked away from the home, this evidence continuing to show by its witnesses that Bates was shooting in the direction of the home where the Newmans were when he was fired.

At the conclusion of the trial, Wiley Howard, charged with the murder of Dayton Wireman on Salt Lick Creek, was drawing near his close. Howard is charged with shooting at Wireman after his son, Witt Howard, had mortally wounded Wireman. He was recently captured in Ohio and returned to jail here after having been a fugitive since the day of the slaying.

## APPOINTS ATKINSON FOR COMMISSIONER

Paintsville Man Re-Named To U. S. District Post by Judge Ford

From a field of approximately a dozen applicants for the post of United States Commissioner Fred Atkinson, Paintsville, a Republican and holder of the position for the past four years, emerged the victor last week when Federal Judge H. Church Ford announced Mr. Atkinson's appointment for another four-year term. The appointment was dated March 30.

Commissioner Atkinson's first appointment was made four years ago by the late Judge A. M. J. Cochran to succeed the late L. T. McClure as Commissioner. During his term of office he has made an excellent record.

The notification of the appointment also specified that offices of the Commissioner are to remain in Paintsville.

## WELL-KNOWN ABBOTT MAN DIES LAST WEEK

Dick Webb, well-known Abbott Creek farmer, died last week at the age of 84 years, a victim of a paralytic stroke. Mr. Webb was one of this county's best citizens.

Funeral rites were conducted from the home near Bonanza, and burial was made in the Elliott cemetery.

Mrs. Troy B. Sturgill spent last week in Hindman, guest of relatives.

## EXHIBIT OF ORIGINAL PAINTINGS OF LOCAL WOMAN AT CONVENTION

An exhibit of the original paintings of Mrs. W. C. Mayo, Prestonsburg, will be made at the state convention of the Woman's Clubs being held this week at Dawson Springs, Ky. Works of Kentucky artists are being featured at the convention.

Mrs. Mayo, a woman of fine talent, has done numerous oil paintings, charcoal sketches and other forms of art, and promises to gain recognition to which she is entitled. In addition to her own work as an artist, she has much ability as a teacher of others having a bent toward an art career.

Mrs. Mayo, district governor of Woman's Clubs, and Mrs. J. D. Mayo, state chairman of the Child Welfare Committee, Federation of Woman's Clubs, Tuesday will attend the convention. Mrs. Grace Morrison, national president of the organization, will attend the state meeting, it was announced.

## 'DIACONATE OF FIVE IS ORDAINED ON SUNDAY

Ordination of five deacons recently elected to a newly-created board took place at the 11 o'clock morning service at the Presbyterian Church here.

Those ordained were N. Y. Beavers, J. A. Hager, Joe Hobson, T. W. Smith and Mrs. W. C. Mayo.

Mr. Hobson is chairman, and Mr. Hager, secretary and treasurer. Robert A. Potter, minister of the church, conducted the ordination and preached the ordination sermon from the theme, "The First Deacon." The Young People's chorus, under the direction of Mrs. J. D. Thomas, led the singing and gave a special number.

## MOTHER AND DAUGHTER BANQUET HERE FRIDAY

The Mother and Daughter banquet, sponsored by the Young People's division of the M. E. Church, South, will be held at 7 o'clock Friday evening at the church here, it is announced. Though the event is being sponsored by the church, it is not by any means confined to Methodists, all mothers and daughters being welcomed.

This is a sequel to the Father and Son banquet held at the Methodist Church several weeks ago, and it is hoped by the sponsors that Friday evening's program will equal, if not exceed, in interest the first banquet.

## MISS HOPSON, HONOREE AT SURPRISE PARTY

A surprise party was given at the home of Mrs. Martin Lee May in honor of her sister, Mary Ruth Hopson, on Saturday evening, April 27. The evening was enjoyed by a number of friends of the honoree, who received many beautiful gifts as mementoes of the occasion. Delicious refreshments consisting of sandwiches, pickles, birthday cake and punch were served to the following: Ethel Mae Horn, Mae Spears, Gladys Sturgill, Phyllis and Charles Hale, Helen Ransdell, Mary Ball, Joan Banks, Margaret May Gladys Parsley, Ruby Oppenheimer, Elsie Stephens, Nancy Carter Powers, Mabel Underwood, Chaddie Friend, and Gladys and Mildred.

## WALLIS ADDRESSES FLOYD-CO. VOTERS

Democratic Candidate for Governor Opens Eastern Kentucky Campaign Here

Frederick A. Wallis, Paris, Democratic candidate for Governor, opened his Eastern Kentucky campaign in Prestonsburg Tuesday evening. Approximately 50 admirers to dinner at the Auxier hotel, then appeared at the court-house in an address before a large crowd.

"Extensive governmental reforms were advocated by the speaker, reduction of state expenses, correction of crowded and otherwise unwholesome conditions in the penal and charitable institutions of the state, removal of the parading power from the Governor's hands and placing the matter of clemency in the hands of a non-partisan board and elimination of taxes against property holders assessed at \$2,000 and under.

Of the sales tax, Mr. Wallis said that, while this form of taxation ends automatically in 1936 unless a bill is passed renewing it, the tax should be eliminated entirely or reduced, and that it should not in any case apply to the necessities of life.

The address was well-received by the audience. County Attorney James D. Bond was chosen as secretary of the committee. Mr. Wallis was accompanied here by E. M. Glass, of Lexington, his state campaign manager. He was introduced by Circuit Judge John W. Caudill.

## SOFT BALL LEAGUE IS BEING ORGANIZED

Soft ball has, for a certainty, found a home in Prestonsburg. Since its introduction in Prestonsburg high school by Coach Clay V. Watson less than two weeks ago, it has claimed as devotees men of various ages and occupations until, now, a league is in formation.

That crackling noise you hear, these afternoons is caused by ancient joints registering futile complaint as the old-timers round the bases.

There probably will be six teams in the league now being planned. The scene of play may be shifted to the graded school campus, where, it is

## OWENS AGAIN WINS ORATORICAL TITLE

Ramsey of McDowell Is Second; Third Place Shared by Two

For the second consecutive year, Devert Owens, representing Garrett high school, won the Floyd County Oratorical Contest held here Friday evening. Thus young Owens, a brother of Curtis Owens, principal of the Garrett school, has won for his school two legs toward the three necessary to permanent possession of the cup emblematic of the oratorical championship.

The runner-up award was won by Rex Ramsey, of McDowell high school. Ted Greene, of Prestonsburg high school, and Miss Bonnie Slade, of the high school, orator, tied for third prize and both are to be given identical awards.

Speaking on "The Accomplishments of the New Deal," young Owens tempered his praise of the high ideals of Roosevelt administration with criticism of its failure in some phases to work out in practice. Protection of the rights of labor, aid for distressed homeowners and the starving and rehabilitation of young men by taking them from idleness and possible careers of crime to work in the Citizens' Conservation Corps of the country were highly and eloquently

confined mainly to an assessment upon NRA price-fixing. Efforts of the other orators, Miss Kelsie Hall, of Wheelwright, and Miss Alice Mae Daniels, of Auxier, were very meritorious.

Mr. Ramsey's oration discussed

planned, lights will be installed for night ball. A regular schedule will be adopted and league play will begin soon. In the high school, the juniors and sophomores are tied for intra-mural leadership with the seniors next. The lower freshmen Tuesday afternoon, however, gave the juniors a 12-3 shellacking.

Misses Dallas and Myrtle Franklin spent Sunday in Huntington, W. Va. They were accompanied by Dr. and Mrs. and Mrs. Yale Rodgers, of Wheelwright.

The Times will resume publication of the serial, "When Worlds Collide," just as space permits.

## Miss Francis Appointed To Consular Service In China

From Floyd County, in the Kentucky hills, to the Celestial Empire is a long way. But a Floyd county girl soon will be on her way there, and in a capacity which redounds honor to herself and her people.

This all results from the appointment of Miss Lydia Mae Francis, daughter of Mr. and Mrs. H. C. Francis, of Prestonsburg, as secretary to the Consul General at Shanghai, China. Miss Francis sails May 17 from San Francisco for the Orient, where she is to serve the U. S. Government for at least two years and probably longer.

Miss Francis, who has exceptional political abilities of the native Kentuckian, won from Secretary of State Cordell Hull appointment to this important

## SAYS MORE THAN HALF ON RELIEF HAVE FAILED TO REGISTER FOR WORK

Of the 25,000 able-bodied, employable men on relief in the 11 counties of this section, more than 15,000 have failed to register with the National Re-Employment Service in order that they may be considered for work with private industries, W. A. Peterman, district manager of the Re-Employment Service, said last week.

All able-bodied persons on relief rolls should register for employment by private industry, Mr. Peterman urges. "The National Re-Employment Service not only is an agency created to handle employment for the unemployed toward securing permanent jobs in private industry."

## MAGOFFIN FISCAL COURT INDICTED

Failure To Publish Audit As Required by Law Cause of Action

The six members of the Magoffin fiscal court, including the five Magistrates and the County Judge, were indicted at the last session of the grand jury of the Magoffin circuit court on the allegation that neither had, as provided by law, published a statement of the fiscal year of the county, nor had they published their receipts and disbursements in detail.

Statute 1846 provides for a fine of \$50 against each member of the fiscal court if the court "fails or refuses" to publish a statement of the claims allowed during the past fiscal year, together with the names of the payees and the purpose for which they were allowed. Such a statement was not published at the close of the last fiscal year, and the fiscal court had consistently refused to comply with the law regarding its publication, according to the Salversville Independent.

W. P. Carpenter, treasurer of Magoffin county, was also accused of violating a section of the statutes dealing with public officers of the county financial affairs, this section being 3747-a1, which provides for a fine of not less than \$50 nor more than \$500 against "any official... whose duties are to collect and disburse funds of a county or any political subdivision less than a county" who fails or refuses within 30 days from the close of the fiscal year to cause to have published in a newspaper published in said county a statement of receipts and disbursements of the county during the fiscal year just passed.

Upon the presentation in court of these indictments, a demurrer to each indictment was filed, which was sustained by the court, with the right reserved by the commonwealth's attorney to re-argue these cases to the next grand jury. It was said that the indictments were drawn by a member of the grand jury who attributed dispatches from the office were not available to the wards of the county's transactions.

## FATHER OF MRS. HILL DIES

Attorney and Mrs. E. P. Hill, Jr., were called last week by the death Thursday at his home in Canton, Ga., of Mrs. Hill's father, L. J. Doss. The deceased, a prominent resident of Canton, died suddenly at the age of 77 years.

## MAY, FIRST FLOYD COUNTYMAN TO PASS WEST POINT EXAM

Prestonsburg Boy, Junior at Berea, To Enter Military Academy in July

David D. May, of Prestonsburg, last week received notification that a meeting at the requirements to admission to the West Point Military Academy, he had won an honor, heretofore not attained by a Floyd countyman.

Mr. May is a son of the late David F. May and of Mrs. Byrd Callahan May, of Prestonsburg, and is a junior in Berea College. He was graduated from Berea high school in 1931, was a member of the State championship country jumping team and represented Kentucky I-H clubs at the National Dairy Show in St. Louis that year.

Mr. May leaves for West Point July 1.

The following letter from Congressman A. J. May in Washington to the new appointee, notifying him of his appointment, adequately explains the rigidity of the examination required for admission to the Military Academy and gives due credit to the future Floyd county cadet for his ability in meeting the required tests:

"It is with a high degree of pleasure that I am able to inform you that you have successfully met all requirements which authorize your admission as a cadet to West Point Military Academy this coming summer."

"You are to be congratulated upon having attained that degree of education and efficiency that enables you to qualify for this distinct and greatly beneficial opportunity to acquire, not only a well-rounded education, but that particular training that will enable you to enter immediately, after completion of your course, upon a career, and thus become a useful citizen to your country."

"I am delighted to have had the opportunity of recommending you for this appointment, and am assured of my satisfaction of your willingness and ability to make credit upon me as your sponsor, and upon yourself and your country."

## APPROVAL OF TWO PROJECTS IS MADE

Road Work at Wayland, Street Surfacing at Martin O. Kild

Approval of two new relief projects on which a total of \$6,610.80 will be expended was made last week by E. A. Murry, director of works for the Kentucky Emergency Relief Administration.

One of these projects is surfacing of the county road that was out to the Road Commission 22 men to be employed, and the other is the construction of a new bridge over the Allegheny River near the mouth of the river at Martin, 24 men to be employed at a total expenditure of \$2,620.

Start of work on these two projects will bring the KERA project total in Floyd county to 29. Further efforts may be made soon by officials to gain the approval of projects for improvements of county roads on which work has not been done this year.

## A STRAIGHT WHISKEY

## ATHLETE'S FOOT

A form of ringworm highly infectious, with intolerable itching and burning; cracking and peeling off of the skin; blisters. Take no chances: If your toes itch the least bit, go at once to a doctor with a powerful antiseptic like Emerald Oil. Rub your feet every night and morning with the oil—it isn't greasy and does not stain. One bottle is usually enough to clear up the infection; says H. E. HUGHES and CO. Money back if it doesn't.

The total cost in 1920 was \$40,000,000, which shows a greater rise in 15 years than all the 128 years' history of the state prior to that date.

"Adoption of our economy program in full," says the statement of the association, will bring expenditures down approximately to the level of 1920, which is an undertaking requiring the united efforts of a great mass of taxpayers. It will take years of such effort."

An effective start toward this objective was made by the association last year, when five laws were enacted that provide means of reducing the total cost of government in Kentucky approximately \$5,000,000 annually.

Taxpayers who are interested in a constructive effort to reduce taxes, made along non-partisan lines, are invited to write Mr. Wheeler at Paintsville, or the office of the Ken-

## GRAND!

A large crowd of customers—satisfied customers, since they found what they wanted, and bought at the best prices they have seen in many years.

This was just the beginning. In the future, every day we'll have what you want and will be welcoming you to visit us and look over the bargains we have to offer—and buy, if you will.

We carry a complete line of Men's, Women's and Children's Shoes at the best price that can be found anywhere. We are searching the markets daily for better prices. We invite you to come in and look our prices over and be convinced. Watch our windows for SATURDAY SPECIALS.
