Alleged Blackleg Leader Acquitted Here In Trial

BRIEF REPORT ON COURT ACTIVITIES FOR THREE DAYS

Three Plead Guilty to "Blackleg" Charges; List 31 Defendants

FINES METED

Late Thursday evening, a Floyd county jury acquitted Carl Hall who was accused as the "Blackleg" leader and perpetrator of their "figging" and alleged outrages. The jury took the case at 1 o'clock and returned two hours later to report to the court that they could not reach a verdict. It was understood that they were deadlocked at 10-2. Later they returned their final verdict. Carl Hall, the defendant, remarked: "I wanted an early trial because I knew that I would come clear and I thank the jury for doing its duty. B. M. James predicted acquittal for the remaining 18 defendants who will be tried later."

Following the verdict, Judge John W. Caudill called for the next case, whereupon Commonwealth's Attorney O. C. Hall explained the charges. There is any use of trying many more cases? He stated later that the jury evidently did not understand the case. Three of the Magoffin men indicated in connection with the "Blackleg" charges pleaded guilty, preceding the Hall trial and received an agreement sentence of two years. They were Troy Cole, Newt Cole and Albert Marshall. Noble Cole was given three years on the syndicalism charge in January. Jim Marshall named Noble Cole, Troy and Newt Cole, Albert Marshall and himself as the ones who whipped Miles Barnett on Floyd county soil. The other defendants will be tried later.

CONSOLATION MEET SCHEDULE SET-UP

Proceeds From Basketball Tourney to Help in Year Book Cost

Drawings for the Floyd county post-season or consolation basketball tournament at Maytown April 8, 9 and 10 were held in the county superintendent's office Saturday, April 3. The resulting tourney schedule pits Wayland against Bonanza at 7 o'clock, Betsy Layne vs. Auxier at 8 o'clock and Lackey vs. Garrett at 9 o'clock Thursday night. McDowell, Prestonsburg, Maytown, Martin and Wheelwright drew byes. On Friday at 2 o'clock McDowell and Prestonsburg tangle, 8 o'clock finds Martin vs. Wheelwright, Friday night at 7:30 Maytown meets the winner of the Bonanza-Wayland game and 8:30 pits Layne-Auxier game vs. the winner of the Lackey-Garrett game. The semi-finals are slated for 2 p. m. and 3 p. m. Saturday. The finals are at 8:30 Saturday night. Proceeds from the tourney will be applied to the county annual fund.

LOCAL PRINCIPAL IS SELECTED BY TEACHERS AT PIKEVILLE MEET

Teachers of the Big Sandy Teachers and Supervisors conference, embracing Pike, Floyd, Johnson, Morgan and Magoffin counties, met at Pikeville College on Tuesday, April 6 for their final monthly session of the year. Elected as president of the organization for the coming year of 1937-38, C. H. Farley, Pike county school superintendent, was elected as secretary. Prof. Ishmael Triplett, local city school superintendent, and Mr. Orville Wheeler, Painville school executive, addressed the teachers on the executive subject of "Teacher Training in Service." The ability of Mr. Stephens, who succeeds D. J. Carty, Magoffin county superintendent, as the association's head, is attested by the teachers' selection of their president.

FOREST DAMAGES SET AT \$5,000 FOR YEAR BY WARDEN

Estimating the damage wrought by hill fires in this district, Claude Ward, district chief warden, Inez, Ky. stated: "At least \$5,000 acres have been razed in this district in the past year at a damage of near \$5,000." Hill fires rampant during the past two weeks, locally, prompted Judge John W. Caudill to stress an investigation in his instructions to the grand jury Monday morning. Mr. Ward is here and is conducting queries to prosecute the recent fires. A forestry exhibit was presented on Wednesday and Thursday, April 7 and 8 during opening week of Floyd circuit court in the courthouse here by the district office of Putney, Ky. Division of Forestry, Department of Conservation of the state, in the interest of forest fire prevention and control. The display sought to demonstrate the causes, damages and results of forest fires in Eastern Kentucky. Posters illustrated how forest fires are caused, showing that over 90 per cent are man-caused through carelessness and thoughtlessness. The other 10 per cent are caused by nature. Cross sections of fire scarred timber stood as mute evidence of the damages that fire does to timber. It revealed how fire damages timber by either killing it entirely or rendering it a victim to disease or insects. But this did not cover the young growth which is not all when land is burned. The land in time becomes barren waste, full of gullies and fit for nothing. Neither man nor animal can exist on it. Photographs disclosed the work that is under way by the Emergency Conservation program for forest fire prevention and control. Towers and lookout stations are erected on high points from

Regular Meeting of Fiscal Court is Unusually Warm

An interesting session that threatened to become not only lively but torrid at times was unfolded in the regular meeting of the Floyd fiscal court at the courthouse on Tuesday, April 6. The two high spots came up in regard to the selection of a county treasurer. A bid for the office of treasurer by W. J. May was accepted by the magistrates and his salary set at \$30 per month. It was also decided that county funds be equally divided between the two banks. At this time only one bid was filed in open court and the magistrates proceeded in handling other business. They appropriated \$2,250 to the county health department and \$1,000 to the county agent for the coming year. At this point in the proceedings, friends of H. C. Stephens appeared before court with his bid of 1 cent a year salary and offering the county two and one-half per cent interest on their money. The court would not change their original order. A verbal exchange between A. B. Meade, county clerk, and John Allen, representing, was a feature of the

MRS. ARNOLD NEW CLUB PRESIDENT

Mrs. R. V. May Chosen Vice President for Coming Year

At the regular meeting of the Women's Club Thursday night, April 1, at the home of Mrs. J. D. Thomas, officers were elected for the ensuing year. The nominating committee composed of Mrs. W. C. Rimmer, Mrs. J. B. Clark and Miss Virginia McCombs, conducted the election. The following officers were elected: President, Mrs. E. P. Arnold Vice President, Mrs. R. V. May; Recording Secretary, Mrs. A. C. Harlowe; Corresponding Secretary, Mrs. Ann Culbertson and Treasurer, Mrs. E. E. Clark. A committee with Mrs. W. P. Mayo as chairman reported that a motion picture show with accompanying style show would be sponsored by the club in the near future to raise the club's portion of money to finance the entertainment of the state convention at Pikeville by the Seventh District KFWC in May.

Mrs. E. P. Hill, district supervisor of N.Y.A., reported that 250 Lombardy poplar trees, 10 hard maples and 10 sycamores, also a number of spirea and fytzer jumpers were on their way to Prestonsburg for the beautification program outlined by the club several months ago. A committee of club women will aid in the planting of the trees.

A motion was passed by the club which the school board of Prestonsburg to make provision for a kindergarten in the plans for the new school building, which is to be erected in the near future. Dr. Mary A. Vogt gave a brief discussion on Birth control in which she quoted Mrs. Margaret Sanger's definition: "Birth control is the conscious control of the birth rate by scientific means that prevent conception. It is the proper use of scientific knowledge to remove chance as the chief factor in the birth of children and to promote voluntary control."

APRIL 15 DEADLINE FOR INCOME TAX

State Luxury Tax Off On April 17 Instead of April 7

"Merely an unofficial, figure," stated Grover Stumbo, field representative, in this district, embracing the counties of Floyd, Martin, Johnson, Magoffin and Pike for the department of revenue, but, from the best sources of information present indications show that approximately 400 Floyd residents will make income tax returns this year. He stated that the exact figure could not be determined as yet. Mr. Stumbo said the deadline for filing the returns is April 15. A 10 per cent penalty will be added after the deadline.

In brief, the income tax covers any single person that nets \$1,000 or crosses \$1,500 or over and any married person that nets \$2,500 or crosses \$3,000 and a return must be filed whether any tax is paid or no. This year returns must be made to the federal and state governments, there by necessitating the filing of two forms. Forms may be secured from Mr. Stumbo.

Regarding the "dresses" of the state luxury tax on candy, soft drink, cosmetics and etc., Mr. Stumbo stated, contrary to statements recently published by some papers which claim The Times said, that an official die at midnight April 15 and the repeal law becomes effective on April 17 instead of the dates of April 6 and 7.

Home For Vacation Paul C. Combs arrived Sunday for a few days visit at his home here en route to Lyndon, Ky. from Venice, Florida, where the K. M. I. students have been for the past three months. He returned Wednesday to Lyndon, Ky.

"FOURTH MAN" IS RETURNED FROM ESCAPE EFFORT

Mrs. Ella Stungill, wife of the Floyd county jailer, who led the chase after eight escaped prisoners here Thursday and figured in the capture of three near Prestonsburg that night, returned the fourth man to the county bus' title Monday evening. The mother of Johnny Adkins, the only one of the jailbreakers who was under conviction for robbery, called the jailer and requested Mrs. Stungill to come to the home at Garrett and return her boy to the jail and this she did, according to the report emitted through the jailer's office Tuesday. Henderson Salyers, alleged ringleader of the jailbreakers and three companions are still at large. Jailer Stungill said today that Salyers is wanted.

THREE FRACASES CAUSE ONE DEATH, INJURIES TO TWO

Father Knives Son at Home; Youth Wounds Another

An alleged dispute over house rent was climaxed Saturday afternoon at the home of Frank Barra in Wheelwright with a fatal shooting of Barra and the surrendering to officers of Will Branham, 65, wealthy land owner of Floyd county. Barra lives in a house owned by Branham and the owner had gone to the home to collect some rent. In the argument that followed, Sheriff Pick T. Stumbo quipped Branham as saying Barra approached him with an upraised axe and he fired. Three shots were fired. John W. Call, undertaker at Pikeville, where the body was taken, is quoted as stating that two shots penetrated Barra's left side and a third struck him in the hip. Funeral services for Barra were held at Van Lear, Ky. Monday. Survivors include his widow and three daughters, Mrs. Blanche Webb, of Van Lear, and Misses Anna and Helen Barra of Wheelwright. Sheriff Stumbo said that Branham was released on a bond of \$5,000 to appear before the grand jury. The bond was set by Dr. W. L. Stumbo, county judge, a few hours after the shooting.

FATHER CUTS SON

A family argument over the use of a car resulted, Monday night, in the serious knife wounding of Harold Fitzpatrick, 16 years old, and the killing of his father, Tom Fitzpatrick, 41 years old. Mrs. Jane Webb, mother of the senior Fitzpatrick, quoted the wife of her son, who was present at the time the trouble occurred, as saying that Harold requested the use of the family car and his father refused. An argument ensued and the boy struck his father and drewed him from the bed in the family home near Martin, Ky. In the melee that followed, the father cut his son a number of times. The boy is in a hospital at

HIRE 332 COUNTY SCHOOL TEACHERS FRIDAY MORNING

Rumor of Threatened Injunction Prompts Unusual Act, Says Superintendent

NINE VACANCIES

A special session of the county board of education in the wee hours of Friday morning, April 2 was held at the home of County Superintendent Town Hall to hire the county teachers for the coming year. The unusual time of the meeting was explained this week by Mr. Hall thusly: "A suit has been filed against the board by R. H. Baisden, and it was common gossip around town that an injunction would be filed against the board to prevent the present members from hiring teachers for the coming year. 'The regular meeting' he continued, 'was scheduled for Saturday, April 3 and the injunction was anticipated for Friday evening or Saturday morning. The law permits the board to hire teachers after April 1-April 1 ending at midnight of the 1st of May."

"The regular meeting" he continued, "was scheduled for Saturday, April 3 and the injunction was anticipated for Friday evening or Saturday morning. The law permits the board to hire teachers after April 1-April 1 ending at midnight of the 1st of May."

morning to hire the teachers as early as possible and to prevent the teachers having to wait during a long drawn-out legal battle before they were hired. "All board members and no one else was present" he concluded. Mr. Baisden could not be reached for any comment on the unusual action of the board as we go to press.

The list of teachers issued from the superintendent's office is as follows: Bonanza High School—Ella Hile, principal, Gerald Leslie. Grades—Glady's Short Stepp, Mildred Hill, Grace Conley. Continued on page four

REPORT OF GRAND JURY: 41 RETURNS

Three Sessions Reported: Jones Held For Not Talking

"I swore to an oath that I would harm nobody over whiskey seven years ago and I'm going to stick to it," said Robert Jones, Ligon miner, while in jail here. He is held on contempt charges for refusing to talk before the grand jury. Judge Caudill said that Jones would stay in jail until he did talk. Evidently the grand jury has been very busy during four days as the following reports indicate: Returned indictments in April grand jury report: Jess Music, voluntary manslaughter; Jibmer Smith, breaking and entering; Cas Keathley, unlawful possession of liquor; Will Branham, willful murder; Cas Keathley, breach of the peace; John Wallis Collins, drug offense; John Wallis Collins, assault and battery; Perry Casley and Clyde Reffett, reckless use of deadly weapon; John Stephens, unlawful possession of liquor; Andy Calhoun, carrying concealed a deadly weapon; Earl

SANTA MONICA, CALIF.—Continued failure of mediums to claim the reward offered by the late Harry Houdini, who provided a test for proof of communication with the spirit world, makes me think of a thing that happened at the first seance ever held down in my neck of the woods.

The operator was summoning the spirit of departed dear ones to order. A lanky youth out of the bottom desired to speak with his father.

Presently, a shadowy figure appeared between the cabinet's dark curtains and a voice uttered murderously.

"Is that you, Paw?" inquired the seer.

"Yes, son," Irvin S. Cobb asserted the voice, "I'm here in heaven!"

"Seeing you, the ghostly apparition hesitated a moment before giving what might be taken for an affirmative sound.

"Paw, air you an angel?" demanded the son.

"A regular angel with wings and even wings," he answered.

Once more a low grunt.

"Say, Paw," cried the youth, perking up, "but do you measure from tip to tip?"

AROUND the HOUSE

Making a Footstool — Do you know that you can make unique footstools out of the single springs of an old automobile?

Worn Socks — Children very often get enormous holes in the heels of their socks. This is often due to the lining of the shoe which has worn rough.

Cooking Vegetables — A small piece of butter added to the water in which vegetables are to be cooked will prevent them from boiling over.

Flavoring Gravy — Half milk and half water makes the best colored and best flavored gravy.

Boiling Cabbage — When you cook cabbage, put a small handful of breadcrumbs tied in muslin into the pan. The bread absorbs all the bitter juices and makes the vegetable most digestible.

Washing Embroidery — Do not wring embroidery after washing. Press out as much moisture as possible between the folds of a towel, then spread on a towel or blotter to dry, face up.

Sausage and Fried Apples
Pan broil the required number of small sausages or cakes of sausage meat and as soon as the fat collects, add an onion halved, core and unpeeled apples as regular.

WILL BROADCAST STATE SPELLING BEE OVER WHAS

Garrett Girl, Floyd County Champion Speller, Will Be In Contest

Jewell Pritchard, 12 years old, who is Floyd county's champion speller for the past two years, will journey to Louisville for a second try at the state spelling championship. Jewell, daughter of Mr. and Mrs. James Pritchard, of Garrett school, her teacher is Lewis Campbell, former Prestonsburg man.

WHAS, radiophone of The Courier-Journal and The Louisville Times will broadcast the final hour of the Courier-Journal state spelling bee on the stage of Memorial Auditorium beginning at 4 p. m. Thursday, April 15. Approximately 110 contestants

are entered in the 13th annual competition, representing city and county school systems in Kentucky. The spellers are to meet for a written elimination match at Louisville Male High School at 9 a. m. Thursday. Following a luncheon at the Kentucky Hotel at noon, the approximately 40 highest ranking spellers will begin an oral spelloff at the auditorium as a part of the Kentucky Education Association convention program. The spellers will compete for a trip to Washington for the National Spelling Bee, which will represent Kentucky and the National Bee, is sure of at least \$50 in cash and copies of Webster's New Ideal dictionary. The champion, who will represent Kentucky and the Courier-Journal in the National Bee, is sure of at least \$50 in Washington, aside from the all-expense trip for himself and companion. The State Bee runner-up will receive \$100. The next 35 contestants will receive monetary awards ranging from \$75 to \$5.

H. S. Barton, for 37 consecutive years Vice President and Master Distiller of Glenmore, says:

"When you've distilled close to a million barrels of whiskey ... you get to know something about it."

"Once you get on the right formula and process, you'll better not tamper with them. Old ways are slow, but they produce the best whiskey. "Perhaps that's why Glenmore was one of seven distilleries permitted by the Government to make medicinal whiskey throughout Prohibition. We never cheapen materials or hurry the process in making our Mint Springs Kentucky Straight Bourbon Whiskey."

You SPEND A DIME WITH NEVER A THOUGHT

The average residential customer on our lines pays about 8 cents a day for all of the comfort and convenience which electric service gives.

THERE is a great deal of pleasure in a refreshing fountain drink that costs only ten cents . . . and you spend that dime with never a second thought. . . . Have you ever thought of what convenience, comfort and even luxury is opened to you by Electricity for a similar thin dime? Just consider: For ten cents, your entire house may be vacuum cleaned for a month or you may have a whole week's entertainment. For a dime, your entire house will be heated for two weeks; coffee for two weeks and toast for a month may be had . . . or you will be provided with adequate light for studying, sewing and other close work with the illumination of an approved I. E. S. lamp for an entire week. Electricity is the modern servant, a servant which takes care of both the work and the pleasures of home. Added to that, it is the economical way of running a house.

FOREST DAMAGES
Continued from page one which fires can easily be detected. Truck trails, horse trails and foot paths are constructed in order that fires can be reached without loss of time. Telephone lines are cut so news of a fire can be communicated to a fire fighting crew located nearby.

Modern methods of forest fire fighting were portrayed. The new type fire rake, the fire beater, the brush hook and the Indian fire pump were displayed as the equipment carried by each fire fighting crew.

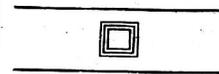

Mr. Ward, chief fire warden Big Sandy Association, comprising Floyd, Johnson and Martin counties, was in charge of the exhibit staged by a unit sent here from the state department at Frankfort, and was ready to contact prospective cooperators and explain in detail the necessity for forest fire suppression and control activities.

Much literature was distributed which pictured very vividly some simple means of preventing forest fires and the results to be expected when timber burns.

More exhibits of this nature are planned for Floyd county in the near future by Chief Ward.

Don't belittle little things

In brewing, it's the little things that count against you—if you don't watch them. Little grains of broken barley... little metal particles... little drops or rises in temperature... little oversights on timing. Watching and guarding against a multitude of such little things 24 hours a day has produced one brew of such qualities that it has become something more than beer—a social companion.
