## FLOYD MAN GUN VICTIM

Police Say Slayer  
Seriously Stabbed;  
Hamilton Killed

Body of Duran Hamilton, 24 years old, who was shot and killed Wednesday night, last week, at Rising Sun, Md., arrived here Saturday and was taken by the Arnold Funeral Home to the victim's former home at Teabery for burial.

Hamilton, an employee of the Triumph Explosives Co., Elkton, Md., died almost instantly of 23-caliber pistol bullet wounds in the left side of his chest and side. His alleged slayer, Levi Reynolds, Covington, Md., was seriously stabbed during the affray which took place in front of a tavern.

The tragedy followed a celebration by Hamilton and others of the return from overseas service of his brother, P. Thomas Hamilton. Reynolds and Hamilton are believed to have disagreed when they met at another place before the killing, though relatives said Hamilton told them at the time there was no trouble. They said they were preparing to leave the scene of the shooting when Reynolds, following them, arrived.

The slayer was under state police guard at a hospital, and authorities said Hamilton's knife was used in Reynolds' stabbing. Reynolds was a native of Maryland.

Surviving Hamilton are his father, St. Hamilton, now of Covington, Md.; Dennis Hamilton, Covington; Mrs. J. D. Hamilton, Teabery; Mrs. Marie Teague, Coloma, Md.; P. Thomas Hamilton of the army; Mrs. J. O. Rakes, Rising Sun, Md.; Mrs. Robert T. Fitzpatrick, Llanos, O.; Dennis Hamilton, Jay Lee, Jake, Anna and Denzil Hamilton, all of Coloma, Md.

### What God Says about—

THIRST  
"Whosoever shall drink of the water that I shall give him shall never thirst."

This was a woman that God was talking to and she believed what He said and got what He promised, and she proved it by offering to treat everybody she met. And that's the way everybody does who truly takes God's water.

It was a woman who first believed the Devil in preference to God, and ever since then the Old Serpent has been persuading men to try every kind of fool drink under the sun—yes, and kept them well-digging with greatest pains imaginable, and kept them mixing drinks and getting drunk on riches and fame and power and all sorts of things, including that low down stuff we call booze.

And all the while the old thirder returns the next morning. But folks who drink at God's public house come away with a well of water within them that springs up into everlasting life.

On man, there's a cup for you that will so cheer you that you will be a better husband, a better father, a better citizen, aye, a new man, without any thirst, for God satisfies even the thirst for Himself.

ENTERTAIN ENGLISH ORPHANS

Bill May, of Cliff, is pictured in the center holding a British orphan boy at an orphanage in England that was the childhood home of Gen. Sir Henry Maitland Wilson, Allied commander of the Mediterranean.

Cpl. Bill May, of Cliff, Ky., was in his glory when his signal company recently entertained 100 orphans at an English orphanage which was once the childhood home of General Sir Henry Maitland Wilson, Allied commander of the Mediterranean theatre of war. Cpl. May is now serving with the 8th air force service command and is the son of Mr. and Mrs. Lindsey May, of Cliff. Cpl. May is a radio technician and for several weeks he and the men in his signal company saved their candy and gum from rations drawn at the base post exchange. This was supplemented by gifts which they had received in Christmas boxes. As a consequence, the men gave a party that will live in the memory of the kiddies of that orphanage. The favor was later returned by the staff of the orphanage when the men were guests for dinner.

THE WEEK IN OPA

Endorse Gasoline Coupons To eliminate black marketing in gasoline, OPA is requesting all gasoline coupon holders to endorse coupons as soon as they receive them.

The motorist must write the license number and state in which the car was registered on each coupon, and this must be done with ink or with an indelible pencil.

When a new automobile license number is obtained, it is unnecessary to re-endorse each coupon, but the old number must be cancelled under the cover of the ration book and the new number written in with ink or indelible pencil.

During the week of March 6, OPA will make a check of all gasoline coupons in the possession of motorists to see that they are properly endorsed. Failure to have every coupon endorsed is a ground for revoking gasoline rations.

Investigation of the 16 gasoline stations in Logan last week by the District Enforcement Officers revealed that only one coupon was not endorsed according to the regulations when attached to the gummed sheet. This denotes a marked improvement in the handling of these ration documents by the holders.

The New Token Plan The new streamlined food ration plan, effective March 1, has been put into effect for the household and the storekeeper. All red and blue stamps in Ration Book Four have the same point value as the plastic food shopping tokens for the household and the storekeeper. All red and blue stamps in Ration Book Four have the same point value as the plastic food shopping tokens for the household and the storekeeper.

For the purchase of processed foods, red stamps for the purchase of meats, fats, oils, etc. Shopping with 10 point stamps and using one-point tokens as change is the equivalent of using dimes as money; red pennies as change. It is as simple as that.

Fruits, Vegetables Ceilings Set The Lexington District Office this week issued an order setting flat community ceilings on the following list of fresh fruits and vegetables: apples, 11c per pound; bananas, 14c; cabbage, 8c; California table grapes, 20c; oranges, 27c and 10c depending on size; Florida oranges, 11c; Florida grapefruit, 10c; iceberg lettuce, 5 dozen size, 15c, and 5 No. 1, 6c, and commercial grades, 5c or 5 pounds for 23c.

These prices are effective in all the counties of the Lexington District, which comprises Central and Eastern Kentucky, except Boyd, Campbell, Kenton and Fayette, where ceilings previous to the present are in effect. These prices will be revised at regular intervals.

Sugar for Canning— Because there is some misunderstanding regarding the sugar stamp for home canning, OPA has issued the following clarifying statements: (1) The stamp to be used for buying sugar for home canning is sugar stamp 40—not spare stamp 40. (2) Sugar stamp 40 for home canning is good for one year—until Feb. 1945. It does not expire at the end of this month.
