BUY WAR BONDS AND BEAT THE BUMS

To the Voters of Floyd County:

It is becoming increasingly apparent that I will not get to see each of you before the election and so I am taking this means of thanking each of you as personally as this sort of statement can be made for the enthusiastic county are giving me in my race for the Democratic nomination for County Clerk.

Much of this support is coming without solicitation. It is coming from the goodness of your hearts and from your deep sense of fair play. Such spontaneous friendship, uninspired by political pull and the power of wealth, is the real sort and I appreciate it all the more.

I am willing to admit that no man's record in the service of his country at war alone qualifies him for public office. I have never claimed that. I did all I could, and gladly, as a member of the Eighth Air Force and because of that service am now disabled. But, were I not qualified, and were my people, I would be rendering my home county and people a dis-service by asking their support.

I received my grade and high school education in the schools of this county, was graduated from Caney Junior College, attended Morehead State Teachers College and studied pre-law at the University of Kentucky. I taught in the Floyd and Greentrup county schools and how well I did my job may be learned from the Superintendents of these schools or from the pupils and parents where I taught. I was teaching when I volunteered for service in the army.

As for experience in the office of County Clerk, I do not have it—and who does except the present Clerk and a few assistants? No other has had a chance to gain experience in that office for 16 years.

But surely none will contend that any citizen with an adequate education, industry and conscientious desire to serve the people could not do the job. If this matter of experience is to be argued as a bar to any other man or woman holding the office of County Clerk, a "Vice" County Clerk should be named immediately and be given intensive training, so that in the event of the present Clerk's illness or death the office could be run without confusion in the county's records. Every official is for a matter of a few weeks inexperienced when he first takes office, but that is only natural and is no lasting handicap to any individual of normal intelligence.

I have no criticism to make of my opponent either as a man or as an official. I merely contend that he is not indispensable. And I do assure you I can and will do the job as County Clerk as efficiently and at less cost to the County and State.

My election would give recognition not only to me but to all other young men and women who served during this war at very low pay while those at home for whom they served and fought lived in comparative safety and while many grew rich.

I assure the people of Floyd county that I do not propose to make politics my career. I will not be seeking this office, years on end. I will give your boy or your girl a chance. I believe in democracy and the democratic way of life for which we fought. I ask every believer in fair play, every father and mother and all other relatives of boys who went to fight in a war not of their own making to join me in winning this election. And we shall win—no power of wealth or influence can turn the people away from doing what they know to be just and right. All we have to do is "carry on" till the vote is cast and counted. This is a mission from which we will not turn back.

Please accept my sincerest thanks for your kindness. It will not be forgotten.

Gratefully, JARVIS ALLEN

96TH DISTRICT Five years in the infantry and air corps—therefore I shall be for any legislation beneficial to the returning soldiers.

Good Roads—My father has been engineer for the Department of Highways for the past seven years, giving me a special interest in roads of our district. My father was also a country school teacher for five years and has always stressed the need of improvement of the schools and the lot of the teachers. Therefore, I shall stand for any improvements or increases to the schools and the teachers, especially those of the country.

Miners—If you will look back you will find my father as financial secretary of a local bank in 1919 even before they were recognized and also as a charter member of Local No. 820. Without the coal that you have mined, we, as soldiers, could not have won the battles as we did during the 2 1/2 years I was overseas. Although I was seriously wounded by shrapnel and machine platoon, I am still able to put up some fight, and I hope that you will allow me to do this for you in the next Legislature.

I have nothing to say against my opponents and am leaving our race to your choice. Thank you. (Pol. adv.)

Grover Page DRAWS ON THE NEWS

GROVER PAGE, a COURIER-JOURNAL cartoonist for almost thirty years, is a visual editorialist who interprets the news with his brush and pen. The war, international politics with their vast implications, national, regional and local affairs... all are reflected in his work.

He calls himself a "short order" artist because he executes most of his sketches in about half an hour. However, they are preceded by endless thought, and quite often, conferences with Courier-Journal editors. His cartoons, built upon a solid foundation of accumulated fact, are usually taken directly from stories in the morning paper... which he digests with his breakfast. Besides his daily cartoon, he produces an astringent Sunday strip of the week's outstanding events.

Grover insists that a cartoonist never stops working except when he sleeps, as even his small, every-day experiences give him material to translate the world's most complicated situations. His own interests are varied... they have to be in his job. You can tell, for example, that he is an ardent fisherman from the angler influence in many of his drawings.

Grover came to The Courier-Journal from The Nashville Tennessean. Previously he studied art in Chicago, for since he was ten, he determined to cartoon. Even so, he started out as a mechanical engineer and his first cartoon was published at sixteen, when he won working on a water supply project in his home town of Gastonia, North Carolina.

Famous for his prize winning wood-cuts as well as cartoons, Grover has taken many of them from drawings he's made in rural Kentucky and Southern Indiana. His son, Staff Sgt. Grover Page, Jr., inherits his father's talent and is now a front-line sketcher with the 35th Division in the South Pacific.

The Pages live in Louisville, though their first seventeen years in this part of the country were spent in New Albany, Indiana. Grover plans to stay here the rest of his life, working at the same drawing board he has used for almost thirty years.

Just three reasons why "IT'S A TOUGH ROAD TO TOKYO"

1. Fighters Japan has 4,000,000 to 5,000,000 first-string fighting men right now, ready for us, waiting for us, waiting till we get closer. And in addition, 1,000,000 men of military age who have not been called to the colors and more than 1,000,000 physically fit young men between 17 and 18 years old who have only recently been subject to the draft. Yes, 6,000,000 to 7,000,000 Japs that we haven't yet tackled—that's one reason why "It's a tough road to Tokyo."

Says Lt. General Eugene Reybold, Chief of Engineers: "It will take hard work and a grueling fight. Besides that, it will take all our patience to beat the Jap. Every American is eager for the big attack, but before we can hurl the full weight of our Army against Japan, we must build places for them to live and fight from. Airports, camps, hospitals, roads, bridges, bases on Okinawa, Iwo Jima, in the Philippines. We are building now with utmost speed and in these tense months we need your work, your backing, and your patience."

WHY VOTE FOR A. B. MEADE FOR COUNTY CLERK?

BECAUSE—he is an experienced, well proven, and competent public official who has been so efficient in the conduct of his office that it is an outstanding model of efficiency and ranks at the top of the list in the whole state.

BECAUSE—the office is the repository of the title to the homes of every citizen and property owner of the county, and the place where every citizen must look for the security not only of his property rights, but the record of marriages and therefore the right of inheritance of every child in the county. Nothing is more sacred or important than being doubly sure we preserve the rights of our children, and so we, the voters, should follow that age-old and universally recognized principle of "proving all things well and holding fast to that which is good."

BECAUSE—the fiscal and financial affairs of the county, including records and proceedings of the Fiscal Court, are kept in this office and require not only clerical efficiency but expert business and financial experience, in all of which A. B. Meade is admittedly extremely well qualified, as evidenced by a record of unflinching success.

Let every voter think twice before voting once.

(Pol. adv.) MEADE CAMPAIGN COMMITTEE

TO THE VOTERS OF DISTRICT NO. 3:

I have withdrawn from the race for the Democratic nomination for Constable, inasmuch as Johnnie Caudill and I are neighbors and were only hurting each other's chances of election. I have no ill will for any candidate, but I ask all my friends to join me in supporting Mr. Caudill who I know to be a good man and qualified to serve you as an officer.

My sincerest thanks to all my friends who offered me their support in this race.

TO THE CITIZENS OF MAGISTERIAL DISTRICT NO. 3:

Circumstances are such that I could not, in justice to myself and my friends, make the race for the Democratic nomination for Magistrate in this district, and so I have withdrawn from the race.

I have taken this action with no thought of helping or hurting the chances of any other candidate for this office. Most of these candidates are my friends and I want them to continue to be my friends.

I deeply appreciate your many kindnesses and I hope to be of service, in some way, to you when needed. (Adv.) MART CRABTREE

LAYNE & LAYNE PHONES 3901-4561 PRESTONSBURG, KY. Frank H. Layne INSURANCE LIFE-FIRE-CASUALTY-BONDS ALEX L. DAVIDSON County Judge To the Democratic Voters of Floyd County: Since my announcement as a candidate for the Democratic nomination for County Judge, I have visited most every section of the county. The assurance personally talk with every voter possible between now and the primary. But, the short time intervening will not afford an opportunity to see all of you. For that reason, I desire to briefly call your attention to the following: 1. RECORD. When our country was confronted by World War I, I left my family and a good, respectable position to volunteer into the armed services. I have been a member of the American Legion since its organization. While I am not expecting the people to vote for me merely because I performed my duty in time of war, I do feel that such service will afford a better understanding of the problems of the returning veterans from the present war; and, furthermore, I certainly would not expect your support had I failed my country in its time of need. In asking your support now, I am relying solely upon my own record as a citizen and personal business qualifications. For some thirty years or more I have had extensive business experience. In addition, I have taught in the public schools for many years as a member and as secretary of the Prestonsburg Board of Education. You are invited to fully inquire into my character, integrity and general fitness to handle the affairs of this important office. 2. JURY SERVICE. I believe in affording women fair recognition in jury service. 3. ROADS. With the aid of the Fiscal Court, I shall do everything possible toward building and improving our roads, particularly the outlying, secondary roads, so as to connect them with improved highways, thereby giving an outlet to all the people. 4. TAXES. I shall appoint able and qualified supervisors so that properties in the county may be equalized, as nearly as possible, and the tax burdens evenly distributed. 5. I shall keep a careful check upon the fiscal affairs of the county to the end that the people's money may be safeguarded and not squandered. 6. SERVICE. You may safely expect me to give you the most efficient and honest administration of which I, with long years of business experience, am capable; and, I promise to give you full time service in the discharge of my official duties. I earnestly solicit the support of all citizens of Floyd county who are interested in honest and efficient government. Respectfully, ALEX L. DAVIDSON (Pol. adv.)

HOWELL ENDORSED BY TEACHER ORGANIZATION

To the Teachers and Parents of Legislative District 97: The letter printed below is self-explanatory. No man in Kentucky has done more for Floyd county children. You owe it to yourselves and your families to vote for the Very First Name on the Democratic ballot. Resolve now to vote for Floyd county's interest.

For Representative: **JERRY PONCE HOWELL**

June 23, 1944
Hon. Jerry F. Howell,
Dear Jerry:

Now that the regular and special sessions of the General Assembly have ended, we want to extend our personal thanks and that of the entire profession to you for your splendid services as a member of the House of Representatives.

A survey of the legislation enacted this year reveals that the schools fared exceptionally well. Increased

Mrs. Bill Parsey and son, Jimmy, and Roger Dean and Donna Sue Rose, children of P. and Mrs. W. Va. are guests here of Mr. and Mrs. J. M. Farley. Mrs. Rose is visiting her husband at his Savannah, Ill. army camp.

financial support was made available and our educational code was strengthened by the enactment of several sound educational measures. No new laws were passed which tend to vitiate or weaken our splendid educational code. Your active support of all progressive educational proposals and your vigorous opposition to all harmful bills helped to make this excellent record possible.

We sincerely trust that you will see fit to make a sacrifice and to offer your services as a member of the General Assembly to the people of your legislative district again in 1946. If, in the meantime, this office can be of any service to you in any way, do not hesitate to call upon us. With best wishes, we are, Very truly yours,

A \$1,000,000 AGENCY
The Hattler Johnson Life Insurance Agency has several million dollars' worth of insurance in force on the lives of prosperous, satisfied, permanent policyholders; and is currently placing new business at the rate of over \$1,000,000 a year.
This success is due to three factors:
(1) Selection of agents whose business methods inspire public confidence.
(2) Policies for every need from the cradle to the grave and beyond: Educational, Disability, Income, Retirement, Mortgage Redemption and Family Protection.
(3) Agent's contract, training and learning the business in dignified manner that enables the agent to make enough money to conduct himself as a business man should.
We have no "high-pressure-30-day-wonder-blow-hards" whose "brilliant" records are eclipsed with the discouragement and the ill-will of a constant long train of lapsed policies.
We are looking for people in Floyd county who can qualify as agents our way; and the pay will be good.

VOTE FOR CAPT. EUGENE SILER
of Williamsburg, Whitley county, for JUDGE OF THE COURT OF APPEALS
Seventh Appellate District
PRIMARY, AUG. 4, 1945

Final Election November 6, 1945
When night had almost destroyed Right, when night had almost blotted out the light of the world, when horror gripped the hearts of men, we, your American soldiers and sailors, left our homes and families and offered everything we had for our country.
I was in the U.S. Army 27 months and just recently returned home—and I was in the First World War.
You said we could have jobs and places when we returned. I believe you meant exactly what you said.
Therefore, I am asking you to remember me at the primary on August 4, 1945, and then at the Final Election on November 6, 1945. Your support will be appreciated.

EUGENE SILER
(Captain, U.S. Army, Inactive)

To the Voters of the 31st Judicial District:

For the benefit of those who did not see my original announcement for Circuit Judge, I would like to restate it for you.

First, I shall appoint outstanding men as Jury Commissioners, men from different sections of the county and who are acquainted with the citizens of their respective communities.

Second: Men and women jurors, regardless of color or politics, will be taken from the jury wheel in open court, and their names announced, so all present can understand how jurors came to be on the jury. This is law, and fundamental to our Democratic traditions.

Third: I advocate speedy trials of all cases, civil and criminal. Justice delayed is justice denied.

Fourth: I promise to hold a dignified, old-fashioned court, and to restore in the minds of the people a fear of the law.

Fifth: I assure you I shall always remain strictly sober, and that I shall do what I believe to be right irrespective of parties. I shall not have any bosses or dictators. I will owe no political debt to any person, and no person will have any strings upon me. I have no malice toward any person, and I shall give a fair trial to those who oppose me in this primary.

When elected your Judge, I shall remain the same, after as before the election. I believe that in order to have friends a man should be friendly and sociable, and I shall not be too busy to be friendly.

During the past eight years, I have worked diligently as County Judge of Floyd county, to get the county finances in order, and this has been done. My experience in the handling of juvenile Delinquencies, I submit, will enable me to better understand young people and to know when there is hope for a young violator. Not one cent of graft can be charged to me. Neither can my opposition charge me with the use of intoxicants.

The people of this Judicial District, composed of Floyd and Knott counties, will unite on August 4, 1945, and express their belief in my sincerity, in so far as the foregoing platform is concerned. For this expression of confidence, I shall be grateful, and shall cherish the memory of that confidence through my term of office and thereafter.

Sincerely yours,
EDW. P. HILL

An Appeal to the Voters of Floyd County
I volunteered for U.S. army duty on September 16, 1941 and served 28 months overseas as my patriotic duty. In the battle for the Marianas, I lost my right arm and was wounded in my left arm.

I am appealing to the voters of Floyd county to cast their votes for Guy Horn, the present Jailer, for re-election on August 4. As a veteran I support Guy Horn as a patriotic citizen who has done his part in this war and who has been a friend to the soldier boys.
