FOR REPRESENTATIVE

I hereby announce my candidacy for REPRESENTATIVE from the 97th District, subject to the action of the Democratic party at the August primary election.

We all think we can do a better job at Frankfort than the other fellow. I have made an intensive study for several years of our needs, in particular, and really believe I could offer legislation of real value to Kentucky, and this section of the state.

The working class of people know my close tie to them and know I would dedicate my efforts to better their lot. At the same time, I would serve to the best of my ability people in all walks of life—the farmer, the business man, the teacher and all others. Your support will be appreciated and rewarded with honest, constructive effort on my part.

From where I sit... by Joe Marsh

Bert Solves the Labor Problem

You hear a lot about capital and labor nowadays, as if the two could never get together. But look at Bert Childers—who has 320 acres of producing land, a fair-sized herd of cattle, and two farm hands working for him.

If you called Bert a "capitalist" he wouldn't know what you meant, and neither would Spike and Sandy, the hired men. Bert works side by side with both of them and in the evenings they sit around the fire together—sharing a friendly glass of beer or two.

If anybody has a beef—whether it's about wages or hours or equipment—they talk it over at these friendly evening sessions.

I don't say all labor problems are as simple as Bert's. But from where I sit, the basic principle applies to any farm or factory or business: A principle of confidence and mutual respect, of daily talks together in a friendly and congenial atmosphere.

Wayland Official Dies After Sudden Seizure In Mines Last Friday

Joe Terry, 61 years old, for years a member of the Wayland town council, died Friday at the Beaver Valley Hospital, Martin, after suffering a heart attack while working as a timber man in the Elk Horn Coal Corporation mine at Wayland. Mr. Terry was stricken suddenly and died two hours after reaching the hospital.

He was a son of the late Bill and Polly Magard Terry, of Hindman, and was one of his section's best men. Besides his connection with the Wayland town government, he was a deacon of both the Steele's Creek and Jones Fork Regular Baptist Churches. He had resided in and around Wayland since 1917.

Surviving him are his widow, Mrs. Ella Gibson Terry, and five sons and daughters, Corrado Terry, Wayland; Mrs. Reuben Miller, Coal Run; Quentin Terry, Wayland; Mrs. Jane Warren, Wayland; Joe Terry, Jr., Kentucky Wesleyan College, Winchester. He also leaves one brother, Lee Terry, of Ohio, and five sisters, Mrs. Garret Hays, Lenoxy; Mrs. Jim Nickles, Mouse; Mrs. Sally Moore, Hindman; Mrs. Rich Smith, Hindman; and Mrs. B. B. Stover, of Gayslet.

Funeral rites were conducted Sunday from the church at Steele's Creek, the Revs. M. C. Wright, Banner Manus and E. H. Howard officiating. Burial was made in the Caroline Collins cemetery near Wayland under direction of the Ryan Funeral Home.

Get New B. F. Goodrich Silvertowns That OUTWEAR PREWAR TIRES

In that picture above is the roadside view of the "sole" of an auto's shoe.

You'll quickly note something special about this treadsole... how broad, flat and husky it is. It was engineered that way. It's the tread of the postwar B.F. Goodrich Silvertown.

That broadness and huskiness give the tread more contact with the road... less wear at any point... one of the reasons it gives better than prewar mileage.

The other reason is built into the tire... a 35% stronger cord body, engineered especially to carry this husky tread and give better resistance to road shock and blowouts.

Of course, a tire that goes farther and safer is a better tire... a better buy... more tire for the money... the best tire for you, today.

And remember, it's wise economy to put a new B.F. Goodrich tube... the tougher tube that increases tire mileage and holds air more time longer... in your new tire.

"We're Working For A Multitude Of 'BOSSES'"

Our real "bosses" are our customers and the thousands of people in towns and on the farms of the southeast who are waiting for telephones. Their telephone needs are our work program.

Material shortages continue to hamper us and it will still take time to get around to everyone, but you can depend on this: A vastly enlarged telephone organization is installing central office equipment, cable and other facilities just as fast as they become available... and there'll be no let-up until there's plenty of service, local and long distance, for town and farm.

TO TELEPHONE USERS

Central offices are the busiest ever. If the dial tone, or the operator's answer, is sometimes delayed, please bear with us until additional equipment can be obtained and installed. Thanks.

Payment Suspension Penalty for Failure To Undergo Re-Examination

Suspension of disability compensation payments will result for all Kentucky veterans who fail to report for physical re-examination when notified by the Veterans Administration Regional Office. It was announced by Dr. O. P. Miller, chief medical officer. He said re-examinations are scheduled periodically until it became apparent that no further improvement in the veterans' disabilities can be expected. Dr. Miller also pointed out that veterans who have applied for disability compensation must report for physical examinations when they are scheduled, otherwise satisfaction of their claims may be delayed indefinitely.

RESOLUTION

Whereas, the practice of open betting or remarks pertaining thereto, and the display of money thereon, has become more prevalent at all of our sports events and at our high school basketball games in particular; and

Whereas, such a practice, in our candid judgment, seems subversive to the real objectives of competitive school sports and contrary to the principles that our public schools are expected to teach; and

Whereas, to attempt to do nothing to correct this growing practice would in no small measure be a mark of discredit to our schools; Be it therefore resolved: (1) That all the schools of the county through their principals and coaches and other important officials hereby express disfavor of such conduct; (2) That we appeal to the public for its co-operation in this important matter; (3) That the public shall not misconstrue our real intentions as intruding upon its private liberties; (4) We do appreciate the patronage and the splendid co-operation the entire public gives our athletic program and we do respect the rights of individuals; (5) That the text of this resolution be caused to be published in the patronage and a copy of same be posted at all times in each place where our sports events are conducted; and finally (6) If there should be continued, pronounced disregard of this appeal, pronounced disregard of this appeal, legal resort shall be used to eliminate such practice.
