MORE ABOUT HIGH

After The Times last week had reported fire damage to a home owned by Mayor E. P. Arnold as \$500, somebody remarked, "Must have lost a light fixture."

THE NEWS IS GETTING AROUND

This Dollar Day idea put into effect by Prestonsburg merchants is more than a dollars-and-cents thing. The savings to buyers and the trade gains of business plans all aside, it means much more to the community.

We all, at some time or other, have expressed the wish that Floyd County and Prestonsburg receive a sort of favorable publicity instead of the crime news of the county.

Well, Dollar Day failed that wish. First, the nation's daily newspapers served by the Associated Press got the story. And now The Circle Arrow Retailer, a trade publication, and Future, Junior Chamber of Commerce magazine, plan publicity with pictures.

Dollar Day wasn't a get-rich-quick idea. It was better than that.

UNCORRECTED BY US

Joe Stewart, Kentucky's poet-novelist, explains a footnote to his poem, "Kentucky Is My Land," that the word, "person," used for "hoodlum," is a corruption from the Indian "person." They call it "person" down in Stewart's Green, but here in Floyd we stick to the Indian, bearing down hard on both syllables—"puck-con."

ANSWER 'YES' OR 'NO' TO THAT:

Exasperated by a witness who was overdoing the strong, silent man stuff with such "yes" and "no" in answer to his questions, the lawyer decided to bring him up short. "Did you ever," the barrister blandly inquired, "steal all the chickens you wanted? Answer me yes or no?"

AND NOBODY ASKED ME

I may be jumping the gun, as it were, in writing on a topic, much as it has been reported, as a local club may ask some visiting speaker to discuss the subject, "What folks want in Prestonsburg."

But I'm not going into detail on the matter anyway. I'll just touch on the high spots, so to speak, and don't want somebody to suggest that if I don't like the place, there are other places, one in particular, where I could go.

An old country boy who still thinks the best water ever drunk came from an old, old cug well lined with rocks, on Salt Lake, and whose idea of perfume still is advanced no farther than the increase of perfume in his hair.

It's a few, for instance, Prestonsburg is where we go to pay taxes, as a witness, a defendant, and such, where we have to go on unpleasant missions. It's where we have to go if we want a bit of help through political influence, and every time we fail we feel the sting of our own failure.

The fact is, the same complaints could be, and probably are, lodged against every other place in the town. Only some county seats are a little farther along toward providing some of the things that make folks want to go there.

Suppose Prestonsburg had a swimming pool and a public library, a park lighted for night baseball and a livestock market, a frozen-food storage plant and a modern gymnasium combining other recreation features.

These are things that make the folks to want to come here; things that would attract visitors to any town.

Residents of other sections of the county who come to Prestonsburg to reside are impressed by the friendliness of the people. But this friendliness, which is a real and vital

HEALTH DEPT. PLANS COURSE

For Foodhandlers;
Classes To Be Held
Here and at W'Wright

The Floyd County Health Department will sponsor a food handling school at the Brown hotel here, Feb. 3-4, and at Wheelwright, according to an announcement by Dr. Marvin Randall, director of the department.

Arthur Eversole, state teacher-coordinator of schools for food handlers, the state health and vocational educational departments, will be in Prestonsburg and Wheelwright to conduct the classes.

The school is free and all interested persons are invited to attend. It is offered for the benefit of employees and employers in restaurants, canteens, hotels, and drug stores, and is temporarily unemployed food handlers also are invited to attend.

A certificate signed by the State Commissioner of Health and the local health officer will be issued to all who complete in the course. State pictures, slide pictures and films will be shown during the course. A question and answer period will follow each session.

Classes will be held at the Brown hotel private dining room from 2 to 4 p.m. and 8 to 10 p.m., and at Wheelwright from 8 to 11 a.m. Sickness and food poisoning cases had increased at an alarming rate during the past few years, Dr. Randall said.

Classes will be held for all types of food handlers, employees and employers in restaurants, cafes, hotels and drug stores are used to practice every measure of sanitation in connection with food handling, he added.

FLOYD POLICE JUDGE'S OFFICE CLAIMED BY 2

Akers Retains Records
Of Martin Office; Ryan
Appointed by Governor

The town of Martin this week had two claimants to the office of Police Judge—Kessie Akers, who was elected by popular vote in November, 1945, and G. D. Ryan, who was appointed to the office last week by Governor Earle C. Clements.

Governor Clements' appointment was declared at a meeting of the Town Board held on Dec. 1 declared the office of police judge vacant. Mr. Ryan presented his commission from the Governor, executed bond and took the oath of office.

Mr. Akers produced minutes of the Board's meeting, showing that the vacancy was declared at a meeting attended by only three members, with J. A. Allen submitting the motion, and Emma Taylor seconding it. Lawrence Keastley, chairman of the Board, did not sign the minutes of the meeting.

Akers contends that his election by popular vote for a four-year term has not been voided by this action. He added that he wrote Governor Eversole to the effect that the office had not been vacated, and that he sent with his letter a copy of his qualifying order.

THREE-MURDER TRIALS RESULT IN PEN TERMS

Three-Day Hearing
Of Conn Case Draws
Widespread Interest

As the Floyd circuit court started its major criminal docket, three Floyd murders have been convicted of murder by the Floyd Circuit Court. A fourth was convicted of voluntary manslaughter and two others were given terms for breaking and entering.

The trial which attracted widespread interest was that of Deputy Sheriff Harold Conn, who was charged with the murder of Arthur Hall.

First of those convicted and given the stiffest sentence, however, was Charlie Bates, who received a 21-year term. Friday in the revolver case, Deputy Sheriff William S. Brown, who was charged with the murder of Arthur Hall.

The third man convicted on a murder trial was Robert Lee (Butsy) Brown, who was given a 10-year term for the slaying of Fred S. Brown, the former Turner's Camp, a few miles from here.

All three men were reported as pleading guilty to their crimes. The trial which attracted widespread interest was that of Deputy Sheriff Harold Conn, who was charged with the murder of Arthur Hall.

Garrett Quells Martin Threat in Last Minutes; Easily Defeats Caney Cr.

Garrett, Ky. Jan. 20 (Sp.)—The Garrett Black Devils racked up their 18th and 19th wins of the season against the Martin Purple Flash and Caney Creek high school last week-end. The Devils ran into a rather stubborn foe in the Martin team which persistently threatened. The Devil's victory was very much in doubt in the final minutes of the game. With four minutes remaining, Martin led by five points. One minute later, the Devils had tied the score and, with only three minutes remaining, they went ahead to lead at the final whistle, 55-48.

Jack Patrick and Eugene Mullins were the leading scorers for the Devils with 12 each, closely followed by James Mullins with 11 points. However, E. Laferity took scoring honors with 13 and Quasley with 12 for the Purple Flash.

The following night, the Devils posted to an easy victory over Caney Creek. Coach Frody relieved his first five after the first quarter with a 25-6 lead. The subs played the remainder of the game, running to their highest score of the season, 77 to 38.

Edmond "Rooney" Bolen led the Devils with scoring honors with 14 points. James Mullins again was second high scorer with 13. Johnson of Caney, however, took top honors with 18 points.

The Devils' next game is with Prestonsburg Friday night on Garrett's floor. Next week, they meet Carr Creek in the Mountain Conference tourney at Carr Creek.

Cats Drop Two But Look Good in Losing To Carr Cr., Pikeville

The Black Cats looked good, even in defeat, Tuesday night they they lost to Carr Creek, there, 43-35. Prestonsburg led the half but suffered the loss in the third quarter of Mayo whose wrist was injured. Bramham led both teams in scoring with 19 points.

Prestonsburg's Black Cats and the Maroons of Wheelwright high school, who will meet Monday night in one of the opening Northern division games of the Big Sandy Conference tournament, staged a tournament pre-view here Friday night.

The Cats, who edged Wheelwright in the Pre-Tournament meet at Wayland last month by a lone point, trounced the visitors, 44 to 34, but not until the last five minutes of the game did they take a lead that looked like it might stand up.

For three quarters and a part of the fourth, the two teams put on a slam-bang show, with the lead frequently changing hands and never more than five points separating them. Bramham led the winners' attack with 24 points, with his teammates, Mayo, Porter and Boyd playing a strong floor game. Boyd apparently is finding himself a basketball player and is adding to the attack of the team, especially on rebound work. R. Curry with 12 points and H. Hall with 4 were outstanding for Wheelwright, a fast, smooth-passing five.

Night before, the Cats, away from home, lost by two points to Pikeville, a team which has dropped only two games this year and both to Inez. At that, the Panthers had to come from behind in closing minutes of the contest to take the 40-38 decision. Pikeville's ability to cash in on free tosses and Prestonsburg's weakness in that department cost the Cats the game. Prestonsburg missed 18 of 25 charity tosses, while the Panthers made good on 12 out of 17.

This week is expected to be a tough one on the Cats as they play Carr Creek's Wonders there Tuesday night and Garrett there Friday night. The next home game is "away" Feb. 6, when those beloved rivals, the Paintsville Tigers, come growling.

Their Engagement Announced

Announcement is being made of the engagement of Miss Bette Ross Johns to the Rev. Homer Swindall. Miss Johns is the daughter of Mr. and Mrs. W. S. Johns, of Martin, Ky. She is a graduate of Betsy Layne high school, later attended Pikeville College and has been employed for the past three years by Utilities Extension Coal Company.

Former Floyd Man Is Heart Victim

Andrew J. Musick, 54 years old, of Pikeville, minor and former Floyd county resident, was dead on arrival at the Methodist hospital, Pikeville, Friday, 30 minutes after being stricken with a heart attack.

Mr. Musick, a native of Johnson county and a son of Charlie and Anne Perry Musick, was employed by the Ohio Elkhorn Coal Company. He had resided in the vicinity of Pikeville for the last six years.

Surviving are his widow, Mrs. Sally Mullet Musick, one son, Gene, his mother, of Johns Creek, two brothers, Elmer and Arlie Musick, both of Johns Creek, and a sister, Ethel, of Ohio.

The body was taken to the home of his father-in-law, Jim Mullett, at East Point, where funeral rites were conducted Monday, the Rev. Walter Pack and Charlie Lemaster officiating. Burial in the Mullett cemetery was directed by the Baker & Preston Funeral Home.

William James May has returned to Georgetown College after a visit with his parents, Mr. and Mrs. W. J. May, and his grandmother, Mrs. Belle Richmond. He was accompanied to Lexington by Mr. and Mrs. J. O. Webb, Sr.

W. A. DAVIS, M.D., announces the opening of his office for practice of obstetrics at 230 High St., Pikeville, Ky., adjoining hospital. Phones: Office, 29; Home, Shelby 11.

Scott at Wheelwright Junction, shot him without provocation. Defense testimony claimed that Brown threw two rocks at Bates, then started toward him with a knife, with Bates ordering him to stop before opening fire.

In the trial of Brown for the slaying of Stilton, the defendant testified that he fled Turner's Camp after a free-for-all developed and was not present when the shooting took place. Four eyewitnesses joined in testifying that they did not see the two shots fired into Stilton's body, but that they looked around immediately and saw a revolver in Brown's hand. The defense did not attempt to show any provocation, relying on the claim that Brown was not present and that others "framed" him.

The murder charge against Kenneth Roberts, of Lenoir, in the Stilton case was dismissed following Brown's conviction.

Colt Salisbury, driver of the truck in which three persons were killed on Left Beaver Creek last year, was given his second two-year term Wednesday upon conclusion of his manslaughter trial in the death of T. P. Henson, one of the victims. He had previously received the same term in the death of Mrs. Henson, who was passenger, testified that Salisbury was driving fast, attempted to pass another vehicle when within 100 feet of the Reynolds car, cut out to pass on one occasion, cut back, then drove into the left lane again, the truck's right rear striking Reynolds' car.

Sanctified this week to one-year terms for breaking and entering were Frank Mullins and Arnold Stone.

'Bear' Bryant Invited To Speak at Banquet

Paul (Bear) Bryant, coach of the University of Kentucky Wildcats football team, has been invited to speak at the banquet to be sponsored here by the Kiwanis Club, honoring members of the Prestonsburg high school football and basketball teams, it was announced this week.

Date of the banquet has not been set. A limited number of tickets will be placed on sale.

Also sponsor of the Boy Scout movement here, the club plans, it was said, to ask local churches to assist by sponsoring patrols.

Miss Calhoun Dies Saturday at 17

Miss Beulah Calhoun, 17-year-old daughter of Mr. and Mrs. Dode Calhoun, of David, died Saturday at the Prestonsburg General hospital. She is survived by her parents, six brothers and sisters. The body was taken to the home of a brother, Wallace, at Water Gap, where the funeral was conducted Monday, the Revs. B. W. Craft and Alex Stephens officiating. Burial in the family cemetery was under direction of the Arnold Funeral Home.

Homemakers Select Delegate to Conference

The Homemakers Club held its January meeting Tuesday at the home of Mrs. B. L. Label on Westminister street. Members of the club prepared the food for the luncheon, following which the vice-president, Mrs. Richard Peiler, presided at the meeting. Mrs. J. B. Clark gave the Homemakers' lesson on "Table Setting," and Mrs. J. D. Thomas was delegated to represent the club Jan. 27 at the University of Kentucky in Lexington where the Kentucky Homemakers will be in special session. Miss Requa Kinser will represent Floyd county at this meeting. Present were Mesdames J. D. Thomas, G. D. Prentiss, J. G. Spurlin, Wm. Osborne, Chalmers Frazier, J. B. Clark, George Archer, Jr., John G. Archer, Homer Harrington, Paul Francis, G. R. Allen, H. C. Francis, W. A. Rose, S. L. Isbell, Raymond Burke, Wm. Dingus, Richard Peiler, B. F. Connis, Miss Kinser.

ABLE TO BE OUT
Mrs. Edna Newsome is able to get out after being a patient at the Prestonsburg General hospital for several days.

Floyd Resident's Kin Is Pneumonia Victim

Fourteen-year-old Charles Hampton, son of Mr. and Mrs. Clarence Hampton, of Hartley, Pike county, died Jan. 14 at the Methodist hospital, Prestonsburg, after a seven-day illness of pneumonia. Surviving, besides the parents, are the following brothers and sisters: Herbert Hampton, Mrs. Gertrude Johnson and Miss Audrey Hampton, all of Weeksbury, Clarence and Donald Ray Hampton, Miss Nora Ray Hampton, Miss Doris Mae Hampton and Mrs. Gladys Burke, all of Hartley, and Mrs. Barbara Hall, of Virgie.

The funeral was conducted Sunday from the residence on Long Fork, Pike county, with burial in the family cemetery under direction of the Baker & Preston Funeral Home.

Ramblers Annex Two Easy Wins Last Week

The Prestonsburg VFW Ramblers added wins over Betsy Layne and Auxier last week to their victory string, finding no stiff opposition in either contest, though Auxier did make more of a game of it than in the first meeting of the teams, a week earlier.

The Ramblers licked Betsy Layne, 89-26, and, with Tommy Blackburn scoring more points than the entire visiting team, rolled over Auxier, 70 to 23. Blackburn scored 29 points, Hubbard, with nine points, was best for Auxier.

Against Betsy Layne Marcum was the leader with 18 points, with T. Blackburn, Roark and A. Blackburn scoring 15, 13 and 12 points, respectively. P. Gayheart, E. Clark and L. Conn, with 15, 13 and 12 points, in that order, were best for the losers.

Children who have recently recovered from chickenpox are Kay Ann and Elizabeth Lynn Frazier, Terry Leah Webb, Judy Woods, Carol Kay Now, Betty Hingwood, Lynn Burgess King.

February 15, Deadline For Filing of Reports, Farmers Are Warned

Of the 1231 forms mailed to Floyd county farmers, Jan. 2 by the Floyd County Agriculture Conservation Administration for the filing of reports of farm practices during the last year, only 300 have been returned to the ACA office here, James Stephens, chairman, said this week. February 15, he added, is the deadline for filing these reports. Amounts earned by carrying out farm practices in 1947 under the AAA program will not be paid unless these reports are filed on or before the Feb. 15 deadline, farmers are reminded.

James F. Griffith, who left this county in 1914, is especially ill in a Veterans' hospital in Walla Walla, Wash., his brother, W. M. Griffith, of Martin, has been notified.

VETERANS! here are the opportunities you've been asking for

Thousands of Veterans of all the U. S. Armed Forces have said they'd like to join the Regular Army, IF they could have certain enlistment privileges. Today the Army has four attractive opportunities for Veterans of any of the U. S. Armed Forces to get into a well-paid job with lots of chance for advancement.

SERVE for 3 years with your choice of 8 famous combat units now stationed in the U. S. If you are a Veteran with overseas experience, Here's the opportunity to help build up the defense of the nation at home — to help train the new recruits who are joining the Army.

RETURN to an Army job in your old specialty. If you're a Veteran, If yours is one of the needed specialties, you can enlist in the grade appropriate to your training and experience. Veterans can also enlist for service in Europe, the Far East or Alaska.

LEAD your way into high-paid, high-ranking jobs through Army Potential Leaders School, Army Technical Schools, Officer Candidate School or the U. S. Military Academy at West Point—open to every Army man who can meet the required mental, physical and age qualifications.

CHOOSE far-away places—Japan, Korea. Experience overseas gives you a broad background. When you enlist, Eastern divisions, you earn 20% more pay when serving overseas—in addition to all other Army benefits.

Think this over, too: a Private First Class with his \$80 a month plus benefits—retirement plan, food, clothing, lodging, medical and dental care—has more net take-home pay than the average civilian who is paying for equal benefits.

to say, "This time

it's Hudson!"

In one short week 10,000,000 people jammed showrooms to see the amazing, beautiful new Hudson—a new kind of motor car—only five feet from ground to top, but with more inside head room and roomier seats than in any other mass-produced car built today! Hudson is the only American-built car you step down into when entering, not up on — yet it maintains road clearance.

Hudson's new, all steel Monohilt body-and-frame is the only motor-car construction that completely encloses you, even outside the rear wheels, with a rugged, box-steel foundation frame. You ride within this frame—cradled between axles—not on top of the frame as in other cars. And as for ride, Hudson's combination of unique construction and comfort features gives you a sensation of snug safety and serene, smooth going unlike anything you've known before!

Meet the new Hudson—get all the facts about Hudson's all-new Super-Six engine, the power-packed Super-Eight engine, and Hudson's "Drive-Master" transmission that provides automatic gear shifting in forward speeds. Drop in at the nearest Hudson showroom. Find out why millions of Americans are exclaiming, "This time it's Hudson!"

Reinspection Report Notes Safety Gains In Jones Fork Mine

Further coal-dust control measures and additional haulage safes, each mandated in the Evans Elkhorn Coal Company's 385-ton-a-day Jones Fork mine near Lackey, in a formal reinspection report issued by the Bureau of Mines which also cites a number of between-inspection gains. Forty men were employed at the mine when it was re-inspected in October by Inspector Russell Shaw.

Although Inspector Shaw noted that "the greater part of the mine" had been rock-dusted, he recommended more extensive rock-dusting of the Nos. 1 and 2 back entries as well as application of additional rock dust in several other areas. Use of water to allay dust during cutting and loading operations and cleaning "excessive" coal-dust accumulations from haulageways also was suggested.

Regarding haulage, the inspector proposed cleaning of obstructions from the haulageways and crosscuts, use of shelter holes, rerailing devices for the locomotives, use of portable trip lights, and employment of chains, sprags or blocks to secure standing cars.

Among the extensive recent safety advances reported by Shaw were prying down of loose roof at one working place, provision of suitable explosive-storage magazines, transportation of explosives in special containers, adequate clearance at the switch throws, proper bonding of the haulage tracks and several other electrical safeguards, guarding of the drive belts for the fan and pump, effective fire protection underground, and universal wearing of safety-toe shoes.

Fifty-six thousand feet of drain tile were installed on 128 farms in Clay county last year.

OF INTEREST TO VETERANS

The number of World War II veterans taking educational and job-training courses in Ohio, Michigan and Kentucky decreased slightly during December, totaling 139,745 in January 1, Veterans Administration Branch Office in Columbus, O., reported this week.

The total, which was 6,390 less than the December 1 enrollment, included: Ohio, 165,557, decrease of 4,445; Michigan, 120,519, decrease of 1,083; Kentucky, 42,669, decrease of 687.

The figures represent veterans enrolled under both the G.I. Bill and Public Law 16 (disabled veterans).

While the decrease was reflected in both educational and job-training programs, most of the decline represented veterans enrolled under the G.I. Bill, VA said.

In Ohio, there were 121,204 veterans in educational institutions and 43,838 taking job-training courses on January 1. Michigan has 112,209 in educational programs and 18,519 in job-training, while Kentucky showed 39,712 in educational institutions and 9,987 in job-training.

Latest Veterans Administration figures show that 2,323 seriously disabled World War II veterans in Ohio, Michigan and Kentucky have received automotive vehicles at government expense under the law passed by Congress in August, 1946. Cost of the vehicles was \$3,692,652. The totals include: Ohio, 1,639 vehicles, \$1,653,463; Michigan, 880 vehicles, \$1,297,063; Kentucky, 464 vehicles, \$662,124.

The law provides an automobile or other conveyance, at a cost not to exceed \$1,800, for any World War II veteran who lost, or lost the use of, one or both legs at or above the ankle as the result of service-incurred injuries.

Under the present law, eligible veterans should submit their applications for vehicles at government expense to VA prior to June 30, 1950.

QUESTIONS AND ANSWERS

Q: I am a World War I veteran and would like to know if there is any limit for filing a claim for compensation for disability caused by my war service?
A: There is no time limit set for filing claim for compensation under existing legislation.

Q: I was told that my disability, when I claim was due to service, cannot be service-connected because I had it before I entered the service. Am I eligible for compensation?
A: If you decide that your illness was incurred in or aggravated by your service in the armed forces you will be entitled to receive compensation, if it exists to a compensable degree.

EASY DOES IT

One day I heard my Uncle Ben, the most successful man in Logan county, Ky., calling the maid by his wife's name. When I corrected him he explained, "I call everybody Cora now—even the dog and the stock. It's easier. I sit here on the porch and when I holler 'Cora' I know somebody's going to come. Then I don't want I send back—Reader's Digest."

Wayland Ends Hindman's Win Streak at 10; Licks Hazard by 49-32 Score

Wayland, Ky., Jan. 19 (Sp.)—Hindman's 10-game winning streak came to an end here Friday night as Wayland's Wasps downed the highly rated Knott's team, 23 to 17, in one of the lowest scoring games in recent years.

Hindman failed to score until 16 minutes had passed. The Wasps played their best game of the year both on defense and off the back boards. Wayland also downed the Hazard Bulldogs, 49 to 32. This win made Wayland's record read—15 won and four lost.

BIRTHDAY DINNER FOR TWO

Miss Hazel Hill entertained to dinner January 1 at 6 o'clock at her home on the Abbott road. The dinner honored Henry Martin and Delmas Saunders, on their birth anniversary. Place cards seated Mr. and Mrs. Delmas Saunders and son, Henry Martin, Mr. and Mrs. Harry Hill and Miss Hazel Hill.

Work has been completed on 45 fish shelters on Herrington Lake, and are being so marked, as an aid to fishermen. The shelters, made of brush and logs and anchored to the side of the lakebed when the water was at a low stage, are expected to attract larger fish, especially crappie, and make better fishing. Minor Clark, superintendent of fisheries, believes. The shelters are expected to be covered by from five to 20 feet of water at normal pool stage. The stems have been erected on the banks alongside the shelters and placed in "fisher shelter erected by the Division of Game and Fish."

KENTUCKY ON THE MARCH**BY EWING GALLOWAY**

If after seeing the movie shown last night, you think you have "learned everything worth while about Bardstown, you are mistaken. You may say to yourself, "It is a lovely town of historic shrines and nothing more." Mistaken again. In a civic sense Bardstown is wide awake, determined to make itself a better community to live in.

Listen to what A. S. Wathen, Jr., writes about it. Mr. Wathen is co-editor with Elizabeth Spaulding of the Kentucky Standard.

"One of our more important accomplishments has been the setting up of the Nelson County Free Public Library. This project was started by the Bardstown Kiwanis Club and the club members did most of the ground work of getting the library on its feet. The library is financed jointly by the County Board of Education, the fiscal court and the city council. There is a plan to use the county school bus system to take books out to the rural areas."

"During the past year the Nelson County Free Fair was revived after a lapse of 10 years. County products were exhibited in abundance, and it is practically certain the fair will be held this year, and the next, and the next—and be bigger and better than ever."

"Our city-sponsored summer recreation program was the most successful ever conducted here. The Kiwanis Club, Chamber of Commerce, City Board of Education and the city government cooperated in making it so."

"More than 40,000 was spent in building a playground, for colored people, and they enjoyed a supervised summer recreation program for the first time."

"During the year last passed our city took part in the national Clean Up-Paint-Up-Fix-Up campaign and received honorable mention in a state-wide contest. This campaign was sponsored by the city government and supervised by City Supervisor S. R. Marshall."

"We are alive and kicking in Bardstown and hope to be able to make a better report on our community with each ensuing year."

NOTICE

Up to the time of its regular meeting, Feb. 2, 1948, the Floyd County Board of Education will receive bids on furnishing and installation of the ceiling type gas unit heaters for the Maytown gym. Details may be secured from the office of the Superintendent of Schools. The Board reserves the right to reject any and all bids.

BETSY LAYNE

January meeting of the P.T.A. was held in the school auditorium last Monday evening, with Dr. George D. Franklin, pastor of the Prestonsburg Methodist Church, delivering the address to those present. The president, Betsy Layne, conducted the business session at which time it was voted that the P.T.A. pay for the duplicator purchased for the school and that bonds be cashed to be used for improving the school grounds. A committee was named to plan for the improvements, after which there was a short discussion by the group after other items of business were disposed of, the banner was presented to the Seventh grade for having the most patrons present, and a prize was given to the Junior class. The meeting was adjourned till the second Monday evening of February.

Dr. and Mrs. Ray Stratton who recently returned from Louisville, moved to Pikeville last week and Dr. Stratton has his office in the Hodge building. Mrs. Stratton is doing nursing duty at the hospital.

Mesdames Kathryn Blackburn and Angelyn George attended the Homemakers training school in Prestonsburg last Wednesday. Topic for discussion was "Table Service," followed by directions for "preparation of the menu to be presented and prepared at local meetings."

Among those who have been ill of late recently are: Mrs. Miranda Gentry, Mrs. Elsie Blackburn and Misses Billy Jean and Glenda Blackburn.

The Woman's Society of Christian Service of the Methodist Church met with Mrs. C. J. Chandler last Thursday evening, with most of the members present. The program was the theme, "World Outlook," and thoughts for the new year. The business session was conducted by the president, Mrs. Chandler, followed by a social hour.

The Men's Club met last Tuesday evening at the Liberty Bell Service Station, with 17 members present. This club is the first men's civic organization of the community and is proving of great worth. It is now sponsoring a welfare fund to be used for those who may need help, in addition to the many other helpful activities.

We are happy to welcome into our community the Rev. and Mrs. Denington and children, from Van Lear. Rev. Denington is filling the pastorate of Calvary Baptist Church recently vacated by the Rev. Walter Binney. He attended an evangelistic conference and state workers' meeting, part of last week, in Louisville.

It is reported that the Rev. Walter Binney suffered only minor injuries in a recent auto collision, but his car was almost demolished.

PRICE-CURRY WEDDING ANNOUNCED

Announcement is made of the marriage of Miss Viola Price to Mr. Ellis Curry which took place at the Free Will Baptist Church at Byrns, Ky., on Sept. 7, the Rev. Lee Davis officiating.

The bride, a graduate of Auxier high school, is the daughter of Mr. John Price, of Auxier, and the late Mrs. Price. The groom is the eldest son of Mr. and Mrs. Uzie Curry, of Wheelwright, and is a graduate of Wheelwright high school.

The church was decorated with

late summer flowers from the gardens of Mrs. Lottie Anderson, of Wheelwright, and Mrs. Edmond Cecil, of Wheelwright. The bride wore a long pink gown of marquis net, with a corsage of white gossamers. The bridesmaids were Miss Allene Cecil, of Wheelwright, Miss Patsy J. Morrison, of Wheelwright, maid of honor, and Miss Emma Lou Cecil, of Wheelwright. They wore gowns of ice blue and pink. Mr. James McKenney, of Wheelwright, classmate of the groom, acted as best man.

My Old Bible

Though the cover is worn and the pages are torn and though place bear traces of tears, Yet more precious than gold is this book, worn and old, That can soothe and soothe my fears.

This old book is my guide, 'tis a friend by my side, It will lighten and brighten my way, And with its promise I find solace and gladness my mind.

As I read it and heed it each day, To this book I will cling, of its worth I will sing, Though great losses and crosses be mine; For I cannot despair, though surrounded by care, While possessing this blessing divine.

Ten reasons why I believe the Bible to be the inspired word of God:

1. Because of its claim to divine origin. (2nd Tim. 3:16; Hebrews 1:1; Isa. St. Peter 1:21; St. Luke 1:70-71; Acts 1:6; Acts 3:18.)
2. Because it has withstood attacks that have been made throughout the centuries.
3. It has never been exhausted.
4. Because of its unity.
5. Because of its scientific accuracy.
6. The Bible alone tells us of the great mysteries of life and of Godliness.
7. Because as the believer grows in holiness of character he believes more in the Bible.
8. Because of the testimony of the Holy Spirit.
9. The effect upon the believer.

A lone widow and gold star mother who obeys God rather than man at all times, regardless of crosses or losses.

Hoping and praying this will be food to the church, light to the world and salt for the earth.

Sincerely,
EVA M. HALL

HERE IS WHAT KEA WILL ASSEMBLY TO DO FOR SCHOOLS

By LOURENA EATON
(Courier-Journal School Editor)

The Kentucky Education Association and the new Superintendent of Public Instruction, Rowell B. Hodgkin, have prepared a 14-point program to be presented from time to time to the General Assembly during this session.

Last week, four points were presented, and from rumors in Frankfort, they were "received favorably" in the House of Representatives. Apparently the No. 1 and 2 items dealing with the biennial budget and the teacher-retirement system, are certain of passage. Both measures passed the House last Wednesday by

95-0 votes. To make the retirement system actually sound, Kentucky must advance \$2,439,808.84 to make up the funds required for those teachers who had been teaching several years before the retirement law was enacted in 1914. Since that date, the state has been required only to match teacher contributions, but prior to that date, the total obligation falls upon the state.

The budget as passed falls short of the \$34,000,000 the teachers desired. It does not provide sufficient funds to meet item 2, an "adequate" appropriation for the State Department of Education and Institutions of higher learning.

The House approves an \$140,000 annual appropriation to the State Department of Education for ordinary recurring expenses of operation. Hodgkin says that this is not an "adequate" increase. He estimated that the increase would do little more than defray the increased printing rates. It will not permit much expansion in the department or allow a large salary increase to those now employed.

Hodgkin said he hoped at least to hire a director of transportation, but that he could not fill two vacancies which occurred this past year until after July 1, when the new budget becomes effective. He believes, however, that it will not be possible to increase the salaries of these two offices. Both vacancies resulted from low salaries.

The No. 4 item aims at a program to be worked out in conjunction with Clyde Reeves, commissioner of revenue, which says John W. Brooker,

publicity director for the K.E.A., "will tighten the laws and machinery for tax assessment so that everyone will pay his share."

A minimum school term of nine months instead of the present eight hinges upon the appropriation for teachers' salaries. Brooker explained by saying, "If sufficient funds are provided to increase the monthly salary of teachers in the state and add another month, then this proposal will be made. But we will not ask teachers to work an additional month for the increase." The budget bill as it stands now will add approximately \$107 to teachers' annual pay. This, of necessity, will cancel the above proposal, since the K.E.A. was aiming toward an annual salary of \$2,400, and the present budget bill would make an average of not more than \$1,400.

The sixth point of the program's legislation already introduced. This sought to reduce the cost of collection of school taxes from 4 per cent to 2. Brooker commented, "We believe that 4 per cent is exorbitant." At present, school-tax collectors, usually the county sheriff, receive 1 per cent as the law now stands. Newly-elected sheriffs are to receive 4 per cent. The K.E.A. hopes to eradicate this bill before it becomes effective.

A proposal of interest to Louisville educators is the one requesting fiscal independence for the Louisville Board of Education. Louisville is the only school district of the 248 in Kentucky that is not fiscally independent, since it is the only city of first class in Kentucky. Omar Carmichael, Superintendent of Louisville public schools, remarked, "My position on fiscal independence should be well-known to the people who are interested. I believe that in the long run, fiscal independence will be reflected in an improved school system."

The No. 8 measure seeks authority for school districts to share in the net proceeds of publicly-owned utilities. This means that if a municipality should take over a utility such as a light-and-power plant, the municipality shall be given authority to pay the local board of education annually a sum equivalent to the school taxes which were paid by the utility when privately owned.

The ninth item calls for legislation to permit members of all school and college boards to serve out the terms for which appointed unless removed for "special" cause. Brooker commented, "This aims to prevent a Governor from removing without cause any member of the board of trustees of the University of Kentucky, any member of the board of regents of the teachers' colleges, or any member of the State Board of Education during the term, for which appointed except for some, specifically stated cause."

Number 10 is aimed at extending the compulsory school-attendance law from 16 to 17 years, or to the 17th birthday. Hodgkin expressed the hope that schools could be set up which would interest boys and girls of this age, so that attendance would not be so difficult to enforce. He was referring to either local or regional vocational schools to furnish education to those pupils whose aptitude does not lie along academic lines.

The other four measures are to ease administration. Grouped together they include (1) the granting of authority to boards of education to request public health officers to approve permits allowing teachers' absences from school because of ill health; (2) the establishment of a state revolving fund from which loans may be made to local boards of education at a low rate of interest to assist in the purchase of modern books; (3) amendments to modernize and liberalize the present antiquated textbook-adoption laws, and (4) to make the fiscal year coincide with the school year, that is, to begin on July 1 and end on June 30 in all municipalities of the state.

The transportation measure will request the state to set up a fund of \$500,000 to be lent to local boards of education for purchase of buses. As to textbook-adoption laws, the K.E.A. hopes this time merely to reduce the adoption period from five to four years, and to permit a 50-per cent change in books instead of the 33-1-3 per cent now permitted. In addition to these 14 points, Brooker said the K.E.A. would like to attempt legislation to amend the state Constitution so that the office of the Superintendent of Public Instruction will become appointive rather than elective. He said the association would oppose any proposed legislation injurious to education, such as the lowering of certification requirements or popular election of local school superintendents.

Wm. Arrowood Hardware Co. Salutes Hotpoint on Its Move To Curb Inflation By Reducing Appliance Prices Now!

We Are Proud To Join Hotpoint—One Of Nation's Largest Appliance Manufacturers—In Fight To Preserve The Purchasing Power Of The American Dollar By Announcing Price Cuts Of As Much As 10 Pct. On America's Finest Electric Ranges, Refrigerators, Disposals And Water Heaters.

Inflation is very much like the weather in that everybody talks about it but nobody does anything about it. But now Wm. Arrowood Hdwe Co. is joining with Hotpoint—builder of America's finest electric appliances—in doing something about it...namely, reducing prices on electric ranges, refrigerators, disposals and water heaters.

Price reductions at a time like this when appliances like these are so scarce is news in itself. But all the more noteworthy is the fact that these price reductions—which run as high as \$20 on some models—are made in the face of the biggest demand for Hotpoint products in the company's history.

Certainly, this is proof that this move is made purely in the public's interest. We consider it an outstanding example of the kind of business statesmanship that has made America the country that it is today and the kind that will continue to lead the way to future greatness.

Wm. Arrowood Hdwe. Co. heartily subscribes to this courageous move of Hotpoint's...and is glad to be the first in Prestonsburg in this crusade to cut the cost of living.

- FIRST in Total Number of Cars and Trucks on the road today—according to official nationwide registrations.

WE, YOUR LOCAL CHEVROLET DEALER—and every other Chevrolet dealer in America—are both proud and happy to make the following report to buyers and prospective buyers of Chevrolet products. Again in 1947, Chevrolet built and sold more cars and more trucks than any other maker for the total seventeen-year period, dating from January, 1931 to January, 1948—the modern period of motor car history. Naturally, we as well as the Chevrolet Motor Division of General Motors are deeply grateful for America's outpouring preference for Chevrolet passenger cars and trucks, and we are determined to do everything in our power to continue to deserve this preference in the future as in the past. We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. We are doing our level best to prove that, by filling orders for Chevrolet, you are not only getting as we can—even under today's string conditions—and we are deeply and deeply appreciative of the patronage and understanding of all our customers who are enjoying deliveries of new Chevrolets. Needless to say, you buy wisely when you buy the product of the world's largest producers of cars and trucks, for that is the way to maximum dollar value! Best assured that we'll fill your order for a new Chevrolet as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it in to us for skilled service, new and at regular intervals.
