THURSDAY

This Town That World

Anybody miss The Times 'noting well' we did, much of 'last week' to do.

IN RETROSPECT

To tell the truth, I am suffering from a case of what you call 'Christmas blues'.

The Christmas Day, for example, you sit down to read, and off goes the pen in your ear, or the typewriter which became a chemist as of today comes up with something that wasn't in the dictionary, or it stinks you right out into the cold.

You sit down to eat, and somebody comes in, tosses you a Christmas card from a friend you have forgotten—and there goes the old appetite.

In desperation, you turn to the television, and when you see somebody trying to live up to the old, sweet carols, every twist and turn makes Santa the hero or slanted on the rule theme and the whole thing a mess. You get tired, and very tired, of all the artificiality.

No, I'm not sour on Christmas, it makes wreaths out of us, but why what we would be without it. Make mine a double helping of goodwill, please.

SUCCE A GIFT

The papers this week showed a Texas boy and the boy contractor his parents bought him for Christmas. Had the snake around his neck, wearing it like a noose.

Make mine a double helping of goodwill, please.

FOUR YOUTHS GIVEN TERMS AFTER PROBE

Fifth Nabbed in Break-In Held to Grand Jury, Three Breaks Unsettled

The tragedy of juvenile delinquency which struck only a week ago has been followed by the breaking in of the Fountain Korman. The five youths who were arrested by Sheriff's deputies Sunday night on the Egglez Club are: Raymond F. Foy, possessing whiskey, M. C. Henry Allen, possessing moonshine whiskey.

It was the arrest of Foy with whiskey that led to the raid staged by Sheriff's deputies Sunday night on the Egglez Club. Officers reported the confiscation of a case of whiskey and about five cases of beer. Nobody was arrested. Premises of Jack Allen, Gentry restaurant-owner, were searched by deputy Sheriff Saturday night, and both wine and beer were reported taken.

Although it was reported being in Floyd county over the holidays, only six divorce cases were filed during the "season of goodwill."

First, I wish to tell you what Christ said about prayer. Matt. 21:13. It is written my house shall be called the house of prayer, but ye have made it a den of thieves. Luke 9:18. And it came to pass in those days that he went out into a mountain to pray and continued all night in prayer to God. Acts 12:12. Praying at the house of a woman; Peter knocked at the door of the gate; a damsel named Rhoda. Now read about the works of women and prayer. James 5:15. Prayer of faith saves the sick; Rev. 5:8 and Rev. 8:3. Prayer of the saints. Providence, unseen protection, divine guardianship. Acts 24:2. Paul preaches Christ to the Governor and his wife. And when he was called forth Tertullus began to accuse him, saying, Seeing that by thee we enjoy great quietness and that very worthy deeds unto this nation by thy providence. Power, 1-6. But ye shall receive power after the Holy Ghost is come upon you and ye shall be witness unto me both in Jerusalem and in all Judea and in Samaria and unto the uttermost part of the earth. Bears Resume Net Play After Holiday Vacation; To Meet Ramsey's Team

Pikeville, Ky., Jan. 1 (Sp.)—The Pikeville College Bears, returning to action this week after the Christmas holidays, will meet two other college teams and the famed Fort Knox (Ky.) Tankers.

They will face three different hazards in the first six days, starting with a highly regarded team which will be used-minded. After opening the new year by entertaining the Steel Tech Skylanders from Johnson City, Tenn., Jan. 3, they will confront Frank Ramsey and his Tankers on their own floor at Fort Knox on Saturday, Jan. 5.

In opening after Christmas Christmas against a low-rated team the Bears—chance an upset which would again keep them from reaching the 500 mark. They bowled Bleed over 153-77, in their first meeting, Dec. 11, setting several high marks for themselves, including a record team score and winning margin, and also setting them up for trouble in this week's game.

The Bears will meet the Tankers for the first time this week. Fort Knox will play a return game here Feb. 9.

Statistics for the first half of the season find the Bears, with an average of 5.6 points per game better than the opposition—81.2 points per cent to their opponents' 81.2.

John Lee Butcher, with an average of 20.2 points, is leading in high scoring, and Ken Smallwood and R. B. Singleton, who have occasionally alternated with him as high scorers, are next with 14.6 and 11.4 respectively.

Top Ranking Fives Clash Friday Night In Pikeville Gym

The big test for two of the leading high school teams in the 15th region—Pikeville and Paintsville—will come in their county seat Friday night when the highly-talented units collide in their only meeting of the season.

John Hill, district superintendent here, has awarded over six months' exclusive rights by sponsoring Harrison County, 48-47, after losing to Dixie Heights, 64-62, in the first round of the tournament last week in whipping two of Kentucky's top 25 teams—Harrison County and Dixie Heights.

In the opening round, Pikeville topped Harrison County, 78-60, and crushed the 10th with a 63-54 decision over Dixie Heights. Tommy Boyd's Bey Layne Roberts picked up the consolation title by sweeping Harrison County, 48-47, after losing to Dixie Heights, 64-62, in the first round of the tournament last week in whipping two of Kentucky's top 25 teams—Harrison County and Dixie Heights.

Paintsville's fast-breaking Tigers, leads in the 15th district, trounced over Oil Springs, 66-47, for their seventh win against a top 25 team. Jim Wheeler's charges are the leading offensive club in Eastern Kentucky with a 91.3 points per game average.

Prestonsburg's gymnas Black Cats was a 96-61 victim of the Hindman Yellowjackets who led all the way in racking up their 14th victory. The Knott county school's only loss came at the hands of Louisville Central and that by three points to Kentucky's number one prep unit.

Men's diminutive Indiana traveled to Bell City Wednesday night, they will meet Louisville Manual in Paintsville, Saturday night.

Wayland, the winningest team in the area with 13 consecutive triumphs, should have little difficulty with useless Martin when they meet Friday. Then next week the Wildcats face Garret, a team that has given Martin the stiffest opposition to date.

COLLIERIES OF 1964

Christmas Day, Mrs. Ed Burke was kind enough to remember us with copies of COLLIERIES OF 1964, and a copy of the COURIER-JOURNAL'S ILLUSTRATED MAGAZINE of about the same date.

We always appreciate such thoughtfulness, and never fail to find the contents of these magazines interesting. There were, for instance, an announcement of the Wright's success at Kitty Hawk ("indeed there is something new under the sun"), and how this contraption flew in the wind and kept it up, non-stop, a distance of three and a half miles; an article by Miss Margaret John Sharp Williams blasting "Jugoslavians" and advising us to "tend to our own business"; and an editorial praising Van Randolph Rust and his presidential ambitions.

And those advertisements! There, of course, are the usual things, the same of elegance, perfect paragon of beauty—and every one sports with tops down, off or never put there. The one I liked and finally my eye alighted on an ad which guaranteed to make you from two to four inches taller. I think back on my lot opportunities. Just think, had I been born a few years earlier and read Collier's Magazine back in 1904, I might now be tall and hump-backed.

Collier's made these numbers of Collier's all the more interesting. The announcement made only last week that this landmark on the American publishing scene and its sister publication, WOMAN'S HOME COMPANION, have quietly passed the 75-year mark.

To those who have over the years enjoyed these magazines their passing is not unlike the loss of old friends.

## Telephone Directory Delevered in County

New telephone directories were mailed last week to Prestonsburg, Allen, Martin and Wayland telephone subscribers, according to H. D. Hayes, Paintsville, manager for the Southern Bell-Telephone and Telegraph Company.

The new telephone directory contains many new and changed listings and other helpful telephone information and is easily distinguishable from the old gray-covered telephone book by its green cover. A sufficient quantity of the new directories has been printed to supply every telephone subscriber and to allow for future telephone expansion.

Mr. Hayes requests that the old directory be discarded and that the new directory be referred to when telephone numbers are desired. Looking up the desired numbers helps to avoid the possibility of getting wrong numbers and saves time for both the calling and called parties, he explained. "Information" should be called only when the number you are seeking is not listed in the directory.

# THE MIGHTY CHRYSLER FOR 1957

Here's the glamorous, low-priced 1957 Chrysler Windsor V-3

## Announcing the most glamorous car in a generation!

You never looked or felt as good in anything before!

Other cars have changed models... this one changes motoring. Look at its rich, racy lines... at the long, low silhouette... at the dramatic upsweep of the rear fenders that plume back from the waist like the wake of a hydroplane. It's a streak of a car with the elegance of the boulevard and the spirit of the speedway.

**Torsion-Aire Ride pours the road under you!**

Get into this car, drive it into traffic or out on the open highway and you enter a new domain of travel. In the 1957 Chrysler, with its new Torsion-Aire Ride, motion has a new "feel". And wait till you toe the throttle. A new Pushbutton TorqueFlite Transmission teams with a mighty airplane-type V-8 engine, developing up to 325 horsepower, to give you a new high-velocity getaway, matchless passing power when you need it. Come in this week and visit our showrooms. See and drive the most completely new car of the year!

Try Chrysler's new Torsion-Aire Ride and you'll think some of the laws of gravity, motion and inertia have been suspended in your favor. No more rock and roll. No more pitch when you stop. Chrysler's new torque rod suspension and lower center of gravity give you a brand new ground-skinning "feel" of the road. The wheels ride the contours... but you don't. The road just pours under you.
