## CEREMONIOUS LOOTING

It is doubtful if any looting has ever been done, before or since, in any war with the formality and decorum that a ragged column of Rebel soldiers was obliged to exercise in pillaging this section during the Civil War. The boys in gray were desperately hungry and any hog, sheep or cow that presented itself to view was immediately set upon, but, hold! The commander of the Rebel forces would have no such impromptu slaughtering and looting. First, according to "Printer" Goble, he would stop the proceedings, mount some convenient stump or rock and deliver himself, as follows:

"I, Mahan Wells, commander-in-chief of the Army of the Cumberland, in the name of Jeff Davis and the Southern Confederacy do hereby confiscate this cow for the use of me and my men."

Then, bang, bang! and another properly "confiscated" cow was dead.

## LOCAL TALENT

The cartoon appearing on the editorial page of THE TIMES is the work of Carl Cecil Sublett, former high school boy and basketball player, now a resident of Bristol, Tenn., after a period of service in the armed forces.

Young Mr. Sublett's talent as a cartoonist first became apparent while he was yet in school in this county, and his home county newspaper is among the first to give recognition to the merit of his work. Which is as it should be.

If you like his work, why not tell him so. His address is 623 Rose St., Bristol, Tennessee.

## UNHAPPY RECOLLECTIONS

"Happy" Chandler's newspaper, The Woodford Sun, has announced that it will not support John Young Brown for U.S. Senator.

Time was, when "Happy" and John Young were younger, and the two were boon companions. But, somewhere along the trail, their ways diverged.

We have it on good authority that their quarrel started at a certain Ole Swimmint' Hole.

Of all things, and at a time like this, our friend Joe turns up with a bucking tooth. What's worse, he must write us all about it. Which, in the paper where the tooth used to be, he writes:

# WHEN ONE MAN'S WIVES GET TOGETHER THINGS BEGIN TO HAPPEN—ALL TO HIM

Lloyd Daniels, former David mine foreman now of Garrett, was not at home last Friday morning when his wife at Garrett called on his wife at Prestonsburg, and for a time he was lucky that he wasn't. There was a bit of an altercation at the home of Wife No. 2.

But the two women, after arguing their causes in the County Judge's office at some length, with both laying claim to him, left to interview Mr. Daniels. Result: Daniels was in the county jail here Saturday, charged with kidnapping.

Visitors at the jail were his two wives. Each assured him however he would go to the pen if he didn't divorce the other and stay with her.

# GUNS, KNIVES FIGURE IN 44 OF 123 CASES

## Circuit Court Docket For September Lists Seven Murder Trials

Of the 123 cases docketed for trial at the September term of the Circuit Court, beginning with Labor Day, deadly weapons figure in 44 of them—knife or gun wounded some individual or being carried or recklessly used.

The docket includes 10 murder cases but this definitely will not come to trial. The defendants, Jimmie Caudill, Marie Wilson and Bob Stephens, are fugitives and have been so for years.

Only 11 defendants charged with carrying a concealed deadly weapon are scheduled for trial during the term. These were indicted before the new pistol law providing for a 2-5-year pen term for this offense became effective and any fine or sentence they may receive may, consequently, be considered by them as good fortune.

Booked for trial on the first day of the term on a charge of murder in the slaying here last January of Policeman Orbin Moore is Lonnie Robinson, who today (Thursday) goes on trial in the Morgan circuit court at West Liberty for the murder of Policeman Albert (Davey) Horn. The two policemen were found together, shot to death in the police patrol car here. Although Robinson may be given trial during the term, court attaches doubt that the case will be ready for the first day.

The murder charge filed against Policeman Troy Mullins of Wayland and Deputy Sheriff Oak Mullins is also set for Sept. 2. Former Deputy Sheriff Mack Lewis is slated for trial on a murder charge, Sept. 9, in the fatal shooting at Drift of Casey Newsome. Lewis is under \$10,000 bond to await grand jury action in the death of his wife following a bullet wound sustained at Lancer near here, recently.

Murder trial of Mrs. Ora Conley, charged with the knife slaying of Judge E. P. Hill, Jr. in open court Sept. 9, up for trial Sept. 19, for the third time, is Luke Kidd, Prestonsburg baseball pitcher, who is accused of fatally slapping Dick Case at Harold, Sept. 23. Court Vance is slated for trial in the killing at Ligon of Mrs. Sallie Tendzloski and the murder cases left over from previous grand jury actions end with the scheduled trial of Jesse Anderson, Troy Hall and Raymond Anderson for the slaying of Johnny Holbrook on Jack's Creek.

# SECOND FALL KILLS WORKER

## Navy Veteran Dies Instantly August 7 In Wheelwright Mine

After escaping injury from a "kef-blootom" which fell from the roof of the Inland Steel Company mine at Wheelwright last Wednesday afternoon, John C. Childers, 29 years old, who worked as a laborer, was killed by a second fall as he prepared to blast the first fall and remove it.

The victim, a veteran of nine major sea engagements during World War II, began working at Wheelwright last August 19, 1945. He was a son of Mr. and Mrs. Thomas Childers, of Thelma, Johnson county.

He was first married to Miss Uena Sammons, who died in 1941, and later married Miss Pauline Holbrook, who survives. He leaves five children: James Vernon, John Kenneth, Thomas K., Jolnette and Frank Martin; also eight sisters and four brothers; Mrs. Mason Blanton, Mrs. Eker Blessing, Martin, Jack, Ruth Fay and Aimee Childers, all of Thelma; Mrs. Cusie Hall, locally known as Mrs. C. Johnson, Wheelwright; Mrs. Thomas Brooks, Paintsville; Leonard Childers, of Auxier, and Thomas Childers, of the army.

Funeral rites were conducted Friday at Thelma where burial was made in the family cemetery.

## Native of County Succumbs in Ohio

Vinson Miller, 61 years old, native of this county, died of a heart attack last Thursday while en route to an orchard on his farm near Kitts Hill, Ohio.

Mr. Miller, who moved from this county to Boyd county was a member of the Holiness Church.

Funeral services were held Saturday at the Holiness Church at Summit, Ky., with burial following in the Hall cemetery.

Surviving are three sons, Andrew J. Miller, Kitts Hill; R. D. Miller, Cicero, O.; four daughters, Mrs. Bertha Wiley, Ashland, and Misses Anna Mae, Thelma Marie and Lora Alben Miller, all at home, and one sister, Mrs. Cornelius Sizemore, of Wurtland, Ky.

## HERE FROM PAINTSVILLE Judge John W. Wheeler, of Paintsville, was a business visitor in Prestonsburg Thursday.

Daniels could not see his way clear. Wife No. 1, the former Loubera Dawson, sued she married Daniels in 1924 and that they have three children. No. 2, the former Beulah Wright Hubbard, said she married him last month and that he had told her he was divorced.

Ernest Evans, president of the club, Glenn Reynolds, secretary, and Allen S. Ashby assistant director of junior clubs in Kentucky, acted as judges of the tournament. E. R. Burke, supervisor of the Seventh district for the Department of Game and Fish, conducted the tournament.

# TITLE HUNTING TEAM LEAVING FOR WICHITA

## P'Burg, State Champs, Take Strong Line-Up For National Meet

Prestonsburg's state championship baseball team will leave here Friday morning for Wichita Falls, Kansas, where it will compete next week with championship teams from various parts of the country for the national title.

Before entering the American Baseball Congress tournament proper at Wichita Falls, the Prestonsburg team, however, will be obliged to play the Johnson City Soldiers, Tennessee titlists, next Tuesday to determine which team shall represent the Kentucky-Tennessee region in the tourney.

If Prestonsburg gets by Johnson City, the team will remain in the tournament until attaining the national title or sustaining two defeats.

Fred Dickerson, manager of the Prestonsburg team of the Big Sandy League, and W. C. Rimmer, Prestonsburg civil engineer, who will direct the fortunes of the Kentucky champs in the competition at Wichita Falls, are taking the strongest line-up they can muster. Players who will make the trip are: Pitchers—Charlie Patton, Luke Kidd, Clarence Wohlford, Ellis Childers; catchers—Ora Curnette, James Clifton; first base—E. B. May, Jr.; Jack Branham; second base—T. J. Montgomery, Chuck Johnson; shortstop—Frank Heinze; third shortstop—Virgil Miller, Paul Butcher; outfield—Astor Meade, Tommy Blackburn, James Roark, Jr.

The trip to Wichita Falls will probably be made by bus, Mr. Dickerson said.

# SAYS RUMOR UNFOUNDED

## May To Make Race For Congress, Kin Replies to Rumor

To persistent rumors that Congressman A. J. May will not be a candidate for re-election because of his present illness, a member of his family this week declared:

"There is no truth in this rumor. He has never considered such a thing, even when his condition was worst."

From this source THE TIMES learned that Mr. May's condition shows slight improvement, although he is still confined to bed and is not being permitted visitors.

Last week, in a statement released in Washington, Warren Magee, Congressman May's attorney, Dr. John G. Archer, medical director of the Prestonsburg General hospital, and Dr. George P. Archer, surgical director, described the Congressman's illness, as follows:

"This is to certify that we have examined Congressman A. J. May and have visited him daily since May 24, 1945, at his home in Louisville, Ky. We find him to be as follows:

"1. As to his physical condition, A. Chronic myocarditis with angina pectoris, and mild decompensation.

"B. General physical exhaustion, with associated hypotension and bradycardia.

"2. From our examinations and observations as noted above, we have concluded that Congressman May must have an indefinite period of rest, quiet and careful attention by physicians. Having been attending Congressman May for years, we are confident that this course of therapy is the only possible one to follow."

Webster's New International Dictionary describes "myocarditis" as "inflammation of the muscular part of the heart wall; decompensation" as "loss of power of the heart;" "hypotension" as "low blood pressure and bradycardia" as "slow action of the heart."

Mead committee officials indicated that plans to question Mr. May at a tentatively scheduled session here in September probably will be abandoned because of the doctors' report.

## One Year Ago Yesterday...

Yesterday—August 14—the world looked back on a year of freedom from global war. A year that has been critical, dramatic, in many senses as critical and dramatic as the years filled with war's horrors. The United States, with other nations, still struggles to find the way to a lasting peace and permanent security.

On this black beach of Iwo Jima there was mortar fire and there was death for the marine (left), his face plucked into the volcanic sand. This August, this and many the other beach of Pacific islands remain as silent monuments to American valor and sacrifice.

## Turners Contribute Land for Church

Land for Grace Chapel Church on Buck's Branch, near Martin, has been donated by Mr. and Mrs. McKinley Turner, of the Rev. Robert L. Martin, pastor of the Spruock Community Church, announced this week. The lot, 24x40 feet, actual size of the church building now under construction, was conveyed to the Reverend Martin personally at Mr. and Mrs. Turner's request.

## Allen Seriously Hurt By Train Near Lackey

Henry Allen, 47 years old, was found Wednesday night on the railroad tracks near Lackey in a serious condition after having been struck by a train during the night.

His foot was badly mangled and he was hospitalized at the Stumbo Memorial hospital, Lackey. His skull was fractured, a report received here by relatives said.

The injured man is a son of "Aunt" Martha Allen, of Lackey, and the late Rebs Allen.

## 86-Year-Old Resident Of Alphoretta Dies

Wiley Carver, 86 years old, died Friday at his home at Alphoretta, a victim of illness attendant upon advanced age.

Mr. Carver was a son of the late Mr. and Mrs. Tom Carver, early residents of this county. He was a member of the Holiness Church and had many friends in this section.

## Vintage of '93 Act Invoked in Running Horse on Highway

A Kentucky law enacted in 1893 and believed since to have been repealed, was invoked last week-end, resulting in a Mud Creek man being jailed here.

The prisoner, Allen Kidd, was booked at the jail on a charge of running a horse on the public highway and also as being drunk.

The 1893 Act, product of the "horse-and-buggy days," before the motor vehicle became a traffic problem, provided:

"If any person shall be engaged, directly or indirectly, in running a horse race, on a public highway or on the street of any town or city, or shall ride or drive any horse in a gallop, or run on or through the street of any city or town, he shall be fined not less than \$5 nor more than \$25 for each offense."

State Senator Doug Hays, of McDowell, recalled here this week that the 1893 Act was sponsored in the State Legislature by the late "Uncle" Bob Bates, former political power in Knott and Letcher counties.

Kidd and several others were arrested on Mud Creek Sunday by Deputy Sheriff Harold Conn and others on drunk charges.

## UMWA Seeks Dempsey As Arbiter For Labor Day Mat Events Here

Weeksbury and Wayland, these two joining at Martin.

Another feature of the program, this week being completed, will be a two-hour stage show, "Broadway Echoes," now playing in Chicago and to be presented by the original cast.

This one feature, it was stated, will cost \$5,000. "But," it is pointed out, "this is Labor Day and we want the best."

Construction of a 30x40-foot stage at the baseball park for presentation of this feature will be started within the next few days. The outdoor show will include novelty acts, band music and a troupe of chorus girls.

During the day A. D. Sisk, of Pikeville, will conduct mine rescue and first-aid contests and it was said this week the Bureau of Mines may send here a miniature mine for use in a simulated explosion.

The three wrestling matches scheduled will be between professional "name" wrestlers, with the exception of Clyde Cannon, of Wheelwright, who will match his mat prowess against a well-known pro.

The full program is expected to be announced within the next few days.

## HOPES HINGE ON VETERANS

### Four 185-Pounders Return for School, Seek Berths on Team

Four husky war veterans are back to complete their high school education here and upon their eligibility to play football the fortunes of the Black Cat football team rest heavily, Coach Geo Taylor Hyden said this week.

These four are:

Bill David Craft, former basketball star but without gridiron experience, with one year more of school; John Horn, who has had three years of football and who has two more years before graduation; Theodore Fannin, with two more years, and Vernon Wright, with one year, but neither with previous experience in the sport.

Each member of the quartet tips the scales at around 185 pounds.

Hyden's entire 1945 backfield of Porter, Branham, Tackett and Bradley returns intact. Hall returns for work at the pivot position and so does Jack Fannin at tackle, Donald Crain at guard and Mike Horn at crack. Tommy Blackburn, who has excelled in basketball and baseball but who has hitherto not engaged in football, is expected to add strength to the team.

The Cats will play their first game here Sept. 13, with Whitesburg providing the opposition. The schedule, with only Sept. 21 and Nov. 2 open, follows:

Sept. 27, Russell, here; Oct. 4, Hazard, here; Oct. 12, Jenkins, here; Oct. 3, Pikeville, here; Oct. 25, Louisa, here; Nov. 3, Fleming, here; Nov. 22, Paintsville, here.

With the assistance of "Duke" Ridley, well-known Huntington, W. Va., sports writer, the United Mine Workers of America are negotiating here for the services of Jack Dempsey, the old Manassa Mauler, as referee of the three wrestling matches definitely booked by the union for its Labor Day celebration in Prestonsburg, Noble Hobbs and Morton McGlothen, chairman and secretary, respectively, of the UMWA Labor Celebration committee, announced here Wednesday.

"Duke has told us bringing Dempsey to Prestonsburg may be a costly undertaking, but he has been instructed to go ahead with negotiations," McGlothen said. The heavyweight champion among the thousands expected for the all-day celebration is considered a definite possibility.

Three special trains will bring miners and their families to Prestonsburg, it was said. One will run from Jenkins, two others from

A native of Inez, Mrs. Huff was a daughter of the late King Price and was the widow of Brownlow Huff, of Johnson county. She resided in Louisa for some time before residing here at the home of her daughter, Mrs. H. L. Goble. She was a member of the Christian Church.

Surviving are six sons and daughters; Frank Huff, Austin, Texas; Mrs. Henry Petray, Gurdon, Ark.; Mrs. H. L. Goble, Prestonsburg; Mrs. E. S. Ferrell, Matewan, W. Va.; Price Huff, Prestonsburg; and Rudolph Huff, of Little Point.

Funeral rites were conducted Sunday and burial was made at Gurdon, Arkansas.

# CERTAIN WEED IS GOOD CROP

## Says Dealer in Roots, Herbs Here; Lobelia Crop Worth Is Cited

Are the weeds taking your farm? It might not be a good idea to rot industrious and dig 'em out by the roots, unless you know your botany backwards and forwards.

For, says George D. Brown, Prestonsburg dealer in medicinal roots, barks and leaves, an acre of one such weed at current prices is worth more on the market than an acre of burley tobacco.

And—now this is a big item—you don't have to hoe or sucker or strip or anything else the weed.

This valuable weed is lobelia which grows profusely in many the Floyd county cornfield that has lain idle a year or two. Its stem and leaf sells now at 40 cents a pound.

Mr. Brown, a few months ago, began buying the weed. Since that time he has shipped around five tons of roots, barks, leaves and stems of plants. At present he is shipping a truckload every two weeks. From such a beginning, the late George D. Brown, of Pikeville, developed the world's largest business in herbs.

Of the 123 roots and barks and plants listed by dealers as valuable for their medicinal qualities, Floyd county produces all except Mr. Brown points out, "Floyd county is unusually rich in these." Mr. Brown said, emphasizing his oft-repeated claim that "there's gold in the hills."

Particularly abundant in this county is jelleco, a dealer said. Angelica is "jellico" to most of you understand. This sweet-tasting root, which is said to be the base for many of the medicines used in preparations to cure dysentery, is now marketing for 75 cents a pound.

One Bill Greer, a 71-year-old Alex Wallen has for some time brought to Mr. Brown's place of business here, the Sandy Valley Produce Company, a sack of this woodland product and has been receiving \$14 for a trouble on each occasion.

No foolin', there's money in them thar hills and in the pastures, too. Take dandelion, national flower of the hayfever season. Its roots will bring you 60 cents a pound. Mullein leaves are good for 7 cents a pound root, (puckoon to some of us) markets for 30 cents.

So watch your capers while cuttin' up around the place. You may be destroying Adam and Eve root which would bring you 30 cents a pound, or even some of these: Maiden Hair, Pleurisy root, Queen's Delight, Hellebore, Beth Root, Ransvane, Tansy, Blue Cohosh, Jerusalem Oak or Cranesbill—whatever these are.

**FILL SHELVES FOR FULL MEALS**

WE Can Can to help others—No, this isn't a trick phrase—We Americans need to can nutritious fruits and vegetables this year as never before to help alleviate starvation all over the world. If you have your own garden—well—but if not, buy excess fruits and green vegetables for preservation.

According to Mr. Paul C. Clark, Director National Garden Program, 3 1/2 billion jars of food were preserved in 1945, and the Department is anxious to match or even exceed this production in 1946.

Many communities will have established centers of information and will conduct canning classes. We urge all housewives to cooperate with these campaigns by preserving a maximum quantity of fruits and vegetables.

Fill those shelves as never before. Every quart you put up makes it possible for that much more of the commercial products to be shipped overseas. Every can is your personal contribution to starved people in ravaged lands.

For your information, our Home Canning, we have prepared a booklet, containing all instructions. There is a limited supply available. Ask for your copy at our office.

**ANSWER TO MR. MARTIN**

In answer to Mr. Fred M. Martin, I trust the God of heaven will guide me.

First, I call your attention to a Scripture which will be found in Luke, 16th chapter and 20th verse, "And there was a certain beggar," etc., and that is what these poor preachers are that you talked about. They are begging poor men and women to quit their ways.

I further call your attention to the 23rd verse of the same chapter which tells of a rich man and he died and in hell he lifted up his eyes, being in torment, etc.

Mr. Martin, if something isn't done for you, that is what will become of you. No doubt you will cry for some of those very ones to cool your parched tongue.

Listen, fathers and mothers, young girls and young boys, such men are among your worst enemies that you have on earth. He will sell you whiskey and be the cause of you killing your fellowman, cause your poor children to cry for bread. He says that he gives to the churches, which he calls snake cages. All he will ever give, I don't guess, if they are D. D. T. wouldn't kill a childer. I would be ashamed, if I were he. He has or has had as good a mother as any man. He will not come to orphan children and lend a helping hand, if it were not for Mr. Martin's snake cage and the devil's den, mothers' daughters and young boys would not be dragged to the county seat so often.

He with his gang are causing more and more orphan children in our land. The Bible speaks of a sickle, and that is what they are, they are reaping a harvest of orphan children.

So, fathers, you who drink that stuff, have pity on your sweet children and cast your votes against it, so that Mr. Martin will have to go like you—die his living out of the earth. The Bible speaks of a sickle, and that is what they are, they are reaping a harvest of orphan children.

Mr. Martin, if something isn't done for you, that is what will become of you. No doubt you will cry for some of those very ones to cool your parched tongue.

Listen, fathers and mothers, young girls and young boys, such men are among your worst enemies that you have on earth. He will sell you whiskey and be the cause of you killing your fellowman, cause your poor children to cry for bread. He says that he gives to the churches, which he calls snake cages. **NOTICE TO THE PUBLIC**

I have been asked by some members of the fiscal court for an explanation of the law regarding the recent levy for school taxes of \$1.50 on each \$100 worth of taxable property.

The 1946 Legislature in Kentucky Revised Statutes 169.475 changed the school tax rate so that it would be fixed at not less than twenty-five cents and not more than \$1.50 on each \$100 worth of taxable property, Kentucky Revised Statutes 169.470 provides:

"Each Board of Education shall prepare a school budget showing the amount of money needed for current expenses, debt service, capital outlay, and other expenses of the schools during the succeeding fiscal year, also the estimated total that will be received from the common school fund, and the amount that will be needed to be raised by local taxation, including the rate of levy necessary to raise such an amount."

It is my opinion that the fiscal court has no other alternative than to make the levy as requested by the County Board of Education, provided the budget presented by the Board is in order. In the case of the recent levy the budget was so prepared and the maximum levy of \$1.50 was requested.

**Leave the 'Bedclothes' Off**

**ATTORNEY GENERAL** Eldon S. Dummit has served this state well by filing suit to revoke the charter in Kentucky of the Ku Klux Klan. This relic of the Civil War which has deteriorated over the years in moral fibre, if it ever had any, has no place anywhere in this country. Kentucky, traditional home of hospitality and neighborliness and courage, needs the Klan not at all. A fiery cross in the night, a weird ritual, outlandish titles and ghostly habiliments behind which to hide may have a certain charm for the immature and the cowardly. But Kentucky men want no hood to hide behind when they act. Kentucky needs no Ku Klux Klan to "correct" any evil within its borders. It is not the Kentucky way, as it is not the American way. The Klan, in qualifying for its corporate charter back in 1924, described its purposes as "benevolent and eleemosynary." Benevolent to whom? The word, "eleemosynary," was apparently added because the Klan likes big words. The hooded terror cannot be benevolent. Its purpose is well-known. It should be no great task to prove what that purpose is. Getting closer home, it may be stated that Floyd county has too many who damn the Jews and damn the niggers and damn everybody but themselves whenever any event does not redound to their credit in the bank or their advancement socially. But THE TIMES hopes we of Floyd county will carry Hitler's doctrine of hate no farther than that. Whether Attorney General Dummit

succeeds as he should or not, let us of Floyd county do the honorable thing and hide behind nothing—particularly, not behind a sheet.

**Association's Action Is Justified**

THE TIMES is glad the Big Sandy Valley Association is openly seeking the defeat of Senator Harley M. Kilgore (D., W. Va.) Congressmen Ellis and Kee of West Virginia and Flannagan of Virginia. Moreover, we devoutly trust this opposition will be effective. This is the quartet—Kilgore and Ellis and Kee and Flannagan—that led the fight on the canalization of the Big Sandy. These are the representatives in Congress who ask enormous federal expenditures for other sections but who fight to lop off from a billion-dollar appropriations bill any amount that would benefit the two tributaries of the Big Sandy which extend into West Virginia and from Kentucky on for a few miles into Virginia. The bill from which they caused the Big Sandy improvement to be removed had 150 millions of dollars added to it after this section was shunted aside. This, despite the fact that these four representatives howled loudest and longest about economizing and saving the "dear taxpayer" the \$2-million-dollar cost of the Big Sandy undertaking. Of the 33 river improvement projects embodied in the bill as it stood before Messrs. Kilgore, Flannagan, et al got through with it, the Big Sandy was fifth in size and third in economic ratio, according to army engineers' figures. The Big Sandy's ratio was 1 to 1.6 but it was discarded, while another project costing \$435,000,000 remained in the bill although its ratio was only 1 to 1.5. But need for improvements, economy, economics or plain, common justice—none of these enters into the matter as viewed by the four legislators the Association openly condemns. They are just "agin" it. The Association was created to support it. Then what was there for the Association to do but seek the defeat of these four, even as the Four sought and achieved, at least temporarily, the defeat of the Association and the cause in which it honestly believes?

## NOW . . . a better tube to match the tire that OUTWEARS PREWAR TIRES

Ask for the new B. F. Goodrich  
Silvertown tube

Ever notice how a toy balloon will shrink to half  
its size over night, even though the stem is tightly  
sealed? Scientists explain how the air works its way  
through the rubber, but the point is, the same  
thing happens in a smaller degree with most all  
inner tubes.  
B. F. Goodrich is now making a new tube that cuts  
the escape of air. It holds air many times longer than  
prewar tubes.

**PREUSSER-SALISBURY VOWS SAID RECENTLY AT FT. WAYNE, INDIANA**

Miss Dorothy Preusser, daughter of Mr. and Mrs. Paul Preusser, of 1325 South Anthony Boulevard, Ft. Wayne, Indiana, recently became the bride of Robert J. Salisbury, son of Mr. and Mrs. Herbert G. Salisbury, of Prestonsburg, Ky. The double ring ceremony took place in the Concordia Lutheran Church with the Rev. Walter Klausung officiating before an altar arranged with palms, tall lighted white tapers and white Madonna lilies.

The bride, who was given in marriage by her father, wore a white gown of point d'esprit fashioned with a fitted bodice with a round neckline and a very full skirt that fell to a long train. The sleeves were long, fastening at the wrists with tiny satin covered buttons and matching buttons were down the back of the gown to the waistline. Her fingertip veil fell from a satin headband which was trimmed with seed pearls and she wore a necklace that had belonged to her grandmother. Her hand bouquet was of Johanna Hill rosebuds and white snapdragons tied with white satin ribbon.

Miss Laura Preusser, sister of the bride, served as maid of honor wearing a gown of white eyelet styled with a round neckline and short puffed sleeves. The full hooped skirt was trimmed at the hemline with three wide ruffles and a yellow bustle bow matched her pleated head band. She carried a hand bouquet of pale pink carnations, blue

delphinium and yellow snapdragons tied with white ribbon. Serving as bridesmaids were the Misses Odella Felger, Betty Dietrich and Della Martin, all of Indianapolis, and Mrs. Herbert Salisbury, Jr., of Louisville, Ky., sister-in-law of the bridegroom.

Herbert J. Salisbury, Jr., served his brother as best man while ushers were Robert Ewert and Harry Zimmerman, of New Patz, N. Y.

The reception was held at the Maennerchor Hall. The refreshment table was covered with white lace and the all-white three-tiered wedding cake was flanked by silver candelabra and bouquets of Madonna lilies. Later in the evening for her wedding trip the bride changed to a gray and white striped summer suit with which she wore a gray hat, red shoes and purse and white gloves. Her corsage was of white carnations. The couple will reside in Indianapolis.

Out-of-town guests at the wedding included Mr. and Mrs. Herbert Salisbury and Mrs. C. P. Stephens, all of Prestonsburg, Ky.; Miss Lorraine Reynolds, of South Bend, Miss Margaret Riggan and Mr. and Mrs. Frederick Sauerweig and children, all of Indianapolis, and Paul Carnarius, of Detroit.

Mr. and Mrs. H. B. Patrick and daughter, Miss Emma Louise, and Barkley Sturgill stopped at Natural Bridge, Va., last week and attended the illumination and pageant presented under the historic bridge. While in Virginia they stayed at Virginia Beach for some time and visited Williamsburg.

**WHAT SELF-REGULATION IS**

Through this Committee the Kentucky brewing industry — brewers, wholesalers, retailers — and Kentucky law enforcement agencies all work together to maintain wholesome conditions in retail beer outlets.

The first step in this progressive plan is EDUCATION. The licensed retailer is kept constantly informed of his responsibilities — both legal and social — and of the prompt help he can get from this Committee whenever problems arise.

The second step is VIGILANCE. There is constant, rigorous, alert enforcement of the program to see that the law is strictly upheld.

The third step is SELF-REGULATION. In cooperation with state and local authorities, the brewing industry itself acts quickly to correct any irregularities surrounding the retail sale of beer.

Remember—Our CAR-SERVICE is your best CAR-SAYER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled service now and at regular intervals.

**THANK YOU for waiting for delivery of your NEW CHEVROLET**

We are doing our best to see that you get your new car as quickly as possible

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolet.

We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.
