### SUPERINTENDENT'S MESSAGE

I was born in Bypro, Kentucky, raised in Martin, Kentucky, and now live in McDowell, Kentucky. I am a native Floyd Countian and very proud of my heritage. I am a product of the Floyd County School System which I have always believed to be one of the best in the State. I am committed to keep our school system progressing and moving forward to even higher and more sophisticated goals. I believe that we, as a school and community, are working diligently toward keeping this commitment of obtaining higher standards in education for our boys and girls.

I want to thank all of you in Floyd County who have helped us toward obtaining those goals and objectives which I have mentioned. Our principals, teachers, and noncertified personnel have been most helpful in this cause. Also, the many civic minded communities and interested citizens have helped us in our times of need. We have just completed a year of many crises, not only to our school system, but to our county. The severe cold winter, the energy crisis, the devastating flood of last Spring are now all behind us, and we as a people have overcome these terrible obstacles that were placed in front of us. We have passed the first test and now we are looking forward to an even more progressive and productive school year.

As your School Superintendent, I pledge to you my loyalty toward obtaining better educational goals and an improved school system for our boys and girls. Also, I am dedicated to sustaining the governments of our country, state, county, and local cities. We shall, also, adhere to the constitution of our great land and the human Bill of Rights as long as I am in this office.

Members of the Floyd County Board of Education join me in this effort to continually improve our public educational system and our local communities.

Sete Grigely, Je

## WHO AM I?

## McDOWELL HIGH SCHOOL

All students and teachers are united in our goals and efforts to secure what McDowell has always wanted and still wants: to develop each student to the limit of his intellectual capacity and to enable him to look backwards with pride and to look forward with hope. We challenge ourselves to imaginative classes, to expert use of materials, to enrichment activities, so that each student can ask and answer the all important question ''WHO AM 1?''

#### Land of the Trojan

The journey is long, and not easy, my friend With energy and endurance, you may last to the end

With valor and honor, with fair play on call

The journey is shortened, and open to all.

The physical, the mental, must all be endured

With the shield of the Trojan then assured

With each individual, so differs the stand

Till at last he has entered Trojan land.

Admiration is yours, for all men shall know

That at the beginning, you had far to go

So withstand the test, and be true to the end

And welcome to the 'Land of the Trojan' my friend.

of COACH DENZIL ''HOSS'' HALBERT

In Appreciation

For outstanding service to the people of Martin and all of Floyd County.

Superintendent Pete Grigsby, Jr. and State Senator Jim Hammond congratulating Coach Halbert.

On February 11, 1977, formal dedication ceremonies were had of the Denzil "Hoss" Halbert Gymnasium at the Martin Elementary School by Superintendent Pete Grigsby, Jr., representing the Floyd County Board of Education, in conjunction with the Martin Elementary School's teachers and staff and the Martin Woman's Club, with the dedicatory address being delivered by State Senator Jim Hammond of Martin.

Denzil "Hoss" Halbert coached Martin Purple Flash basketball, track and golf teams from 1947 to 1972. He instilled in each and every student at the Martin consolidated schools, as well as the members of the Martin community, a sense of pride, accomplishment and dedication in striving for goals set by themselves, either jointly or individually. He has worked with young people so that after leaving their immediate association with him they carried virtues in accomplishing humanitarian goals throughout the entire world in the fields of medicine, defense of country, and social services. He not only would work with anyone who would show an interest in the athletic program but would encourage everyone to participate and would find them a level of participation. Not only was he an outstanding coach but an excellent teacher who challenged his students to achieve their very best.

In coaching the Martin Purple Flash basketball teams, Coach Halbert led Ihem to a record of 528 wins and 331 losses. He was selected by his peers and fellow coaches as Floyd County Coach of the Quarter Century. In 1965 he coached the East Kentucky All-IStar team. Under his guidance and direction, the Martin Purple Flash basketball team was the 1965 Fifteenth Regional Champions.

Martin Purple Flash basketball teams, during his tenure as coach, were District Champions in 1949, '33, '58, '64, and '65; and were S8th District runners-up in '51, '52, '60 and '61. During this time, Martin Purple Flash teams won the Paintsville Invitational Tournament In '56, '63 and '65, while being runners-up in '53 and '64. They won the Prestonsburg Invitational in '60 and '62, and were runners-up in '63. The 1951 basketball team was runner-up in the Hazard Invitational Tournament. The 1964 edition of the Martin Purple Flash also won the Jenny Wiley Invitational and the Wheelwright Invitational Tournaments. The Martin Purple Flash, under the guidance of Coach Halbert, was Big Sandy Conference winner in '69, '50 and '51; and they were Floyd County Annual Tourney in '58 and '64. Also, the Martin Purple Flashers won the Floyd County Annual Tourney in '58 and '64, and were runners-up in the Jenny Wiley Invitational in '66, '70 and '71, and were runners-up in the Floyd County Annual Tourney in '52, '53, '54 and '57.

The 1964-65 Martin Purple Flash team established a state record by winning six tournaments in a single season: Floyd County Annual Tourney, Jenny Wiley Invitational, Paintsville Invitational, Wheelwright Invitational, 58th District and 15th Regional Tournaments.

Martin High School, during this time period, was also gifted with many fine cheerleaders, majorettes, band members, Miss Purple Flash representatives, and athletes, two of whom, Pete Grigsby, Jr. and Larry Birchel Hall, achieved all-state recognition in the sport of basketball.

Larry B. Hall and Pete Grigsby, Jr. receiving Jersies refired by Martin Consolidated Schools for being Martin's only two all-state basketball players.

Coach Halbert formally accepting the honor of the dedication of the Denzil "Hoss" Halbert Gymnasium.

State Senator Jim Hammond congratulating Pete Grigsby, Jr. for being Martin's first all state basketball player.

Pete Grigsby, Jr.'s Purple Flash Jersey, No. 11, and Larry Birchel Hall's No. 30 were permanently retired at the dedication for their accomplishment in being all-state basketball players for Martin.

The Martin Woman's Club presented Coach Halbert with a plaque which said, in part: "In recognition and appreciation for all your years of service to Martin High School and our dearly loved Martin Purple Flash. Our love and gratitude will be with you throughout the years of your life and we will always remain 'loyal and true."

From the Martin community and the entire community of Floyd County, we deeply appreciate Coach Denzil Halbert's tireless contribution to his community and to the young people of Eastern Kentucky. The Denzil 'Hoss' Halbert' Gymnasium will stand as a living tribute to Coach Halbert's accomplishments, in conjunction with his being designated by the governor of Kentucky, Honorable Julian M. Carroll, as an Ambassador of Good Will for Kentucky. At the formal dedication on February 11th, State Senator Jim Hammond of Martin, a former student and participant in the athletic program under Coach Halbert, presented him, on behalf of the governor, the Kentucky Ambassadorship of Good Will, and gave the dedicatory address.
